Instructions for Ordering.—Terms of Business.

BE SURE THAT YOUR NAME AND ADDRESS ARE WRITTEN PLAINLY ON EACH ORDER. Orders frequently lack one or the other, sometimes both. It is, of course, impossible to fill these orders till they are identified.

ORDER EARLY! WRITE LEGIBLY! USE A SEPARATE SHEET, and do not mix up your items with letter of instructions. This will greatly facilitate our work, and prevent errors. We execute orders in rotation, therefore do not leave yours till too late. Ladies will also oblige by prefixing "Mrs." or "Miss," as the case may be. Attention to these points will avoid errors in addressing packages and in communicating with correspondents.

FORWARDING DIRECTIONS.—All goods are delivered at Sydney Railway Station or on board vessels at wharves free of charge; but, after obtaining forwarder's receipt for same, goods travel at the risk and expense of the buyer. Give plain and particular directions with each order, and correct address. State explicitly by what route goods are to be forwarded, and to whose care consigned at places of transmission.

SELECTION.—Make your selection on receipt of Catlogue, and then secure your order; or if in doubt what to select state locality and purpose, and we will select for you.

IMPORTANT.—Clients are requested to forward their orders at once to prevent disappointment, as there is a great demand for some varieties, and stocks may run short.

SUBSTITUTING.—In case of the supply of any particular item being exhausted, which will happen in the most extensive establishment, we substitute to a limited extent the nearest possible at our disposal, unless instructed to the contrary.

THE DESCRIPTION given in this Catalogue concerning each variety is as explicit as the space will permit, and is derived from years of experience; BUT IT MUST BE UNDERSTOOD THAT WE DO NOT GIVE ANY WARRANTY.

UNKNOWN CORRESPONDENTS are requested to forward a remittance with their orders, or a well-known reference, to secure attention.

REMITTANCES should be made by Cheques, Money Orders, Postal Notes and, for small amount, Postage Stamps. It will be highly appreciated when customers enclose payments with orders for small quantities, as it SAVES POSTAGE and BOOKKEEPER'S TIME. PLEASE INCLUDE EXCHANGES on Country and Inter-State Cheques.

Where the cash sent exceeds the value of goods ordered, plus carriage (if any), EXTRA GOODS WILL BE ADDED TO EQUAL THE SURPLUS CASH. These will be chosen at our discretion; but if clients indicate any preference, their wishes will, of course, govern us.

Where the cash sent does not equal value of goods ordered, plus carriage (if any), we will reduce the order to make it conform with the remittance sent.

If specially requested, any surplus will either be refunded or retained to go against future orders.

COMPLAINTS must be made immediately after receipt of goods, otherwise they cannot be entertained.

PACKING CHARGES.—In order to ensure the safe arrival of goods at their destination, particular attention is paid to packing. We make a small charge on each package or case, hardly sufficient to cover cost.

OUR RESPONSIBILITY extends only to persons purchasing direct from us. We disclaim any liability for results arising from defective planting and at improper seasons, or from subsequent bad treatment and cultivation. While we exercise the greatest care in sending our plants true to name, mistakes will sometimes occur. We are always willing, upon proper proof, to replace all plants that may accidentally prove untrue to label, freel of charge. We wish to deal fairly with all. The result of a business career of over 96 years should be sufficient guarantee to our customers.

CONDITIONS OF SALE.—We believe that all Seeds, Plants and Fruit Trees sold by us are of the description and kind specified by us at the time of sale; but, owing to the practical impossibility in many cases of being certain of this, we give no undertaking that such Seeds, Plants or Fruit Trees will correspond with the description under which they are sold, and we make all sales subject to this condition. WE FURTHER GIVE NO WARRANTY, EXPRESS OR IMPLIED, AS TO THEIR GROWTH, DESCRIPTION, QUALITY, OR PRODUCTIVENESS, AND WILL NOT BE IN ANY WAY RESPONSIBLE FOR THE CROP. If the purchaser does not accept the goods sold to him on these terms, they are at once to be returned to us.

FLOWER SEEDLINGS.

We do not hold ourselves responsible for failures in plants, and will not replace plants or seedlings lost or delayed in transit, or from any cause beyond our control.

Postage on Seedlings is 4d per dozen, or 9d per 100.

For Autumn and Winter Planting.

READY from MARCH until AUGUST.

	per doz.
Aquilegia—Long, spurred, mixed, handsome herbaceous border plants	1 0
Antirrhinum (Snapdragon)—Mixed, all colours; good for cut flowers	0 8
Antirrhinum (Tango)—Mixed	1 0
Canterbury Bells—Single, mixed, a favourite biennial	1 0

Verbenas	1 0
Wallflowers—Single	0 8

For Spring and Summer Planting.

READY from SEPTEMBER until FEBRUARY.

Aster, Branching, Mixed. A mixture of Tasmanian and other large flowered sorts. 1/-.

Aster, Giant (Crego). Mixed. 1/- per dozen.

Amaranthus. Sorts; richly coloured leaves. 8d. per doz. (Ready from November).

Antirrhinum (Snapdragon). Mixed, all colours; good for cut flowers. 8d. per dozen.

Balsam, Camellia-flowered. Mixed, splendid double. 8d. per dozen. (Ready from September.)

Calliopsis. Mixed sorts, very showy. 8d. per dozen.

Carnation, Marguerite. Mixed, all colours; flower the first season. 1/- per dozen.

Celosia Thompsonia Magnifica (Feathered Cockscomb). Beautiful shades of crimson and yellow plumes. 1/- per dozen. (Ready from November.)

Cockscomb. Large-flowered; mixed. 1/- per doz. (Ready from November.)

Cosmos. Mixed; flowers immense size. 8d. per doz.

Coleus. Leaves all colours; choice mixed for Spring and Summer, 2/- per doz.; or 2/6 Post Paid.

Dahlia, Single Mixed. 1/- per doz.

Dahlia, Cactus, Mixed. 1/- per doz.

Dahlia, Paeony-flowered. 1/- per doz.

Dahlia, Collarette, Mixed. 1/- per doz.

Dahlia, Pompone, Mixed. 1/- per doz.

Dianthus. Single, mixed, graceful in form. 8d. per doz.

Delphinium, Shepherd's Superb Mixed. A first-class strain of the finest sorts grown. 2/- per doz.

Gaillardia Grandiflora. Single mixed; perennial. 8d. per doz.

Lobelia. Dwarf blue; best for edging. 8d. per doz.

Marigold, French. Mixed; crimson, maroon and gold. 8d. per doz.

Marigold, African. Mixed; orange and lemon blossoms. 8d. per doz.

Mina Lobata. A very pretty annual climber; yellow and red. 2/- per doz.

Pentstemon, Finest Mixed. Herbaceous perennial, pretty. 1/6 per doz.

Petunia. Choice Single; mixed, very showy. 8d. per doz.

Petunia. Single fringed. A splendid strain; mixed colors. 1/- per doz.

Phlox Drummondi. Very showy annual, for massing, etc. 8d. per doz.

Portulaca. Single mixed; brilliant colours. 8d. per doz.

Portulaca. Double mixed; suitable for edgings. 8d. per doz. (Ready from September.)

Pyrethrum Aureum (Golden Feather). Fine for borders. 8d. per doz.

Salpiglossis. Finest mixed; orchid-like flowers. 8d. per doz.

Salvia, Splendens. Brilliant scarlet; fine for bedding. 2/- per doz.

Shasta Daisies. Large white single flowers. 1/6 per doz.

Sunflower, Miniature. Compact growing variety, with numerous flowers. 8d. doz.

Sweet William. Double mixed, perennial. 8d. per doz.

Zinnia Giant. Double mixed, brilliant annual for the summer garden. 1/- per doz.

EDGING and CARPET BEDDING PLANTS.

These plants are mostly suitable for Carpet Bedding and Edging Work, which makes an effective contrast against the green background of a grass lawn. Alteranthera, Echeveria, Geranium (Madam Salroy), Iresine, Pyrethrum being the most favoured for making a brilliant pattern or border.

Postage and Freight Extra.

Alteranthera, Red—Foliage used largely for bordering. 1/- per dozen; 7/- per 100.

,, **Yellow**—Foliage used alternately with the red variety or Jewel, makes a nice border. 1/- per dozen; 7/- per 100.

,, **Jewel**—A large-leaved, richly-coloured variety. 2/- per doz.; 15/- per 100.

Begonia Sempervirens—Pretty dwarf flowering sort, with red foliage. 2/- per doz.; 12/6 per 100.

Geranium, Madam Salrey—Pretty white and green variegated leaves. Out of ground, 1/6 per doz.; 10/- per 100.

Iresene acuminata—Green and yellow foliage, 2/- per doz.; 15/- per 100.

,, **Herbsti**—Red foliage, 2/- per doz.; 15/- per 100.

,, **Lindeni**—Pointed leaves, red, 2/- per doz.; 15/- per 100.

Lobelia, Dwarf Blue—Pretty flowering plant. 8d. per doz.; 5/- per 100.

Mesembryanthemum, Named Varieties—Splendid for hot situation. 1/- each; 10/- per doz.

Pyrethrum aureum (Golden Feather)—A well-known bordering plant. 8d. per doz.; 5/- per 100.

PINES, Etc.—CONIFERS and TAXADS.

(CONE BEARING TREES.)

Either as regards general ornamentation or for commercial purposes, this section is, perhaps, the most important. On the hottest summer days their shade is cool and spicy. They may be used to screen off an unsightly barnyard or planted on the lawn singly as a specimen. There is a dignity and stability about a Conifer that no other tree has, and we cannot recommend it too highly for ornamental and farm planting. For the most part Conifers will flourish in any part of Australia, are admirably suited for shelter, and do not require rich soils. We give the approximate height; but soil, aspect, climate and other conditions materially affect the growth. As in other sections, we prefer limiting our collections to those kinds only which from long experience we are able to recommend.

Packing, Freight or Postage extra on Plants or Trees.

Approximate Postage on a single plant, 9d; on two or three plants, 1/3; and so on, depending on size of plants. For larger numbers rail is the cheaper for customers handy to railway stations.

VERY IMPORTANT.—Owing to the scarcity and increased prices of packing materials, we are compelled to charge packing at cost price on all orders, viz., 1/- per dozen according to the number ordered.

Araucaria Bidwilli (Bunya Bunya); 150ft., 2/-.

,, **Excelsia** (Norfolk Island Pine); 100ft., 2/-.

The genus Araucaria comprises some of our most beautiful trees. Excelsa does splendidly by the sea side.

Cedrus atlantica (Mt. Atlas Cedar); 50ft., 2/6.

Cedrus Deodora (Indian Cedar); 50ft., 2/6.

Most beautiful and graceful trees of moderate growth. Deodora is very ornamental and hardy, stands heat, cold, and drought well.

Cryptomeria elegans; height, 30ft.., 2/-.

Cryptomeria japonica (Japan Cedar); 40ft., 2/-.

Elegans is a graceful half-tree foliage, varying from bright green in Summer to bronze in Winter.

Cupressus Knighti (Elegans); height, 30ft., 2/-.

Cupressus Lambertiana horizontalis; 60ft., 4/-.

Cupressus Lawsoniana; height, 30ft., 2/-.

Cupressus Lawsoniana aurea; height, 30ft., 4/-.

Cupressus macrocarpa (lemon scented); 30ft., 1/- each.

Cupressus sempervirens (upright cypress); height, 50ft., 1/6.

Cupressus torulosus; height, 70ft., 2/-.

An elegant section of the Conifer family, and should occupy a prominent place in all plantations; hardy in any part of Australia, especially Lambertiana varieties and Lawsoniana.

Juniperus africanus; height, 6ft., 2/-.

Juniperus bermudiana (Pencil Cedar); 30ft., 2/6.

Juniperus hibernica (Irish juniper); 15ft., 2/-.

Juniperus virginiana (Red Cedar); 50ft., 2/-.

Hardy, graceful, and most useful for general ornamentation.

Pinus canariensis; height, 50ft., 2/-.

Pinus halepensis (Aleppo Pine); 30ft., 2/-.

A splendid sort for exposed positions near the sea-coast.

Pinus insignis (Californian Pine); 50ft., 1/6.

A great favourite for Shelter Belts, etc.

(For price per 100, see Trees suitable for Breakwinds, etc.)

Pinus pinea (Stone Pine); 60ft., 2/-.

Podocarpus elata; height, 30ft., 2/6.

Handsome ornamental tree, requiring fairly good soil, with shelter.

Retinospora ericoides; height, 15ft., 2/6.

Retinospora plumosa; height, 15ft., 2/6.

Beautiful dwarf trees, of quick growth, from Japan, suitable for cold districts.

Salisburia adiantifolia (Maiden Hair tree); height, 30ft., 3/6.

A handsome deciduous tree, with fine foliage; suitable for the coldest districts.

Taxus Baccata (Yew); 20 to 30ft. 3/-.

Thuja Lobbi (Gigantea); height, 50ft., 2/-.

Thuja occidentalis; height, 20ft. 2/-.

Pines, etc.—Conifers and Taxads—(Continued).

Thujopsis dolobrata variegata; 30ft., 2/6.
Handsome, compact growing trees, of graceful habit.

Thuja orientalis; height, 30ft., 2/-.
A hardy and very useful tribe of plants.

Wellingtonia gigantea (cold districts); 200ft. 3/6.

TREES SUITABLE for BREAKWINDS and PLANTATIONS.

Offered in Quantity, Packing and Freight Extra.

(E) denotes Evergreen. (D) denotes Deciduous. (C) signifies suitable for cold climate. (W) signifies suitable for warm climate.

Acacia Baileyana (E). 16/- per dozen.

Araucaria excelsa (Norfolk Is. Pine). (E). 20/- per dozen.

Brachychiton Acerifolia (Flame Tree) (E). 20/- per dozen.

Camphora Officinalis (E). 11/- per dozen; 80/- per 100. W.

Eucalyptus Globulus (E). 16/- per dozen.

Ficus Benjamini (Weeping Fig) (E). 3/- each; 33/- per dozen; W.

Grevillea Robusta (E). 16/- per dozen.

Jacaranda Mimosaefolia (D). 16/- per dozen; 120/- per 100. W.

Liquidambar Styraciflua (D). 2/6 each; 27/6 doz.

Liriodendron Tulipiferum (D). 2/6 each; 27/6 doz.

Lophostemon Australis (E). 16/- per dozen.

Melia Azedarach (White Cedar) (D). 16/- per dozen.

Platanus Orientalis (D). 2/- each; 20/- doz.

Pinus insignis (E). 1/6 each; 16/- per doz. C.W.

Pittosporum Eugenoides (E). 16/- per doz. C.W.

Pittosporum Undulatum (E). .16/- per dozen.

Schinus Molle (Pepper Tree) (E). 11/- per doz.; 80/- per 100. W.

SHEPHERD'S TREES, SHRUBS and FLOWERING PLANTS.

SPECIAL PRICES QUOTED FOR QUANTITIES.

In this section will be found plants suitable for every description of ornamentation, from the cottage plot to the forest. Selection for any purpose, however, is rendered simple by the explanations following each variety. A judicious planting of trees and shrubs in harmony with the architectural lines of a dwelling will enhance the good points of the building. Shrubs, deciduous and evergreen, are as much a part of the well-balanced garden as the lawn or flower borders. Many of them are as decorative as any ornamental foliage plant, while others are highly useful as cut flowers, and a well-arranged planting presents an attractive appearance throughout the year. Shrubs have many uses, such as a dividing line between the flower and vegetable gardens, or between the lawn and uncultivated ground; as a background to a flower garden; for hiding an unsightly building, fence or foundation; or they may be planted in a mixed shrubbery border.

(E) indicates Evergreen; (D) Deciduous; (C) signifies suitable for cold climate; (W) signifies suitable for warm climate.

Packing, Freight or Postage Extra on Plants or Trees.

Approximate Postage on a single plant, 9d; on two or three plants, 1/3; and so on, depending on size of plants. For larger numbers rail is the cheaper for customers handy to railway stations.

VERY IMPORTANT.—Owing to the scarcity and increased prices of packing materials, we are compelled to charge packing on all orders, viz., 1/- per dozen, according to the quantity ordered.

Abutilon Boule de Niege, pure white; height, 6ft. (E). 1/6. W.

Abutilon Eclipse, common veined purple; height, 6ft. (E). 1/6. W.

Abutilon Souvenir de Bonn, variegated foliage, height, 10ft. (E). 1/-. W.

Acacia Baileyana, yellow (silver wattle); height, 20ft. (E). 1/6. C.W.

Acacia decurrens (black wattle); height, 25ft. (E). 1/6. C.W.

Acacia elata, pale yellow; height, 30ft. (E). 1/6. C.W.

Acacia podalyriefolia (Qsld. silver wattle); height, 15ft. (E). 1/6. C.W.
Most graceful and beautiful tribe of plants, of rapid growth.

Acer negundo (Maple); height, 50ft. (D). .2/6. C.

Acer pseudo platanus (Sycamore); height, 50ft. (D). 2/6. C.
Grand ornamental trees, suitable for the cold districts of the State.

Aesculus hippocastanum, white (Horse Chestnut); height, 40ft. (D). 2/6. C.
A grand ornamental flowering tree; requires a cold climate.

Agnostus (See Stenocarpus).

Allamanda nerifolia, yellow; height, 4ft. (E). 2/-. W.
A useful hardy shrub.

Aloysia citriodora (Seented Verbens); height, 8ft. (D). 1/6. W.
The leaves have a delightful perfume.

Aloe (See Agave).

Allspice Tree (See Calycanthus). C.W.

Packing on all above, 1/- dozen extra.

Shepherd's Trees, Shrubs and Flowering Plants—(Continued).

SPECIAL PRICES QUOTED FOR QUANTITIES.

Arbutus unedo, white (Strawberry tree); height, 10ft. (E). 2/- C.W.
Beautiful ornamental shrub producing a profusion of pretty white bell flowers; very hardy.

Ardisia crenulata (See Herbaceous List).
Very attractive pot plant.

Ash (See Fraxinus). C.W.

Aster Alpina (Michaelmas Daisy). See Herbaceous List.

Aucuba japonica, or variegated laurel; height, 4ft. (E). 2/6. C.
Beautiful shrub, with very attractive foliage; will grow under shade and in cold positions.

Azalea (See Special List).

Bauninia purpurea, pink; height, 25ft. (E). 2/-. W.
Showy, flowering tree; requires warm situation.

Beech (See Fagus).

Boronia megastigma, brown; 5ft. (E). 2/6. C.
This is perhaps the strongest perfumed flower in existence, requires a moist position.

Bottle Brush (See Callistemon).

Bouvardia (See Special List).

Box (See Buxus).

Brachychiton acerifolia (Flame Tree); 50ft. (E). 2/-. W.
A grand ornamental tree, with handsome foliage, and producing a perfect blaze of scarlet flowers.

Broom (See Genista and Spartium).

Browallia Jamiesoni, orange; 6ft. (E). 1/6. W.
Useful shrub, constantly in bloom, producing an abundance of bloom suitable for cutting.

Brugmansia Knighti, white; height, 10ft. (E). 2/-. W.
Free growing shrub, constantly in bloom; fine trumpet-shaped flowers, sweetly perfumed.

Brunsfelsia (See Franciscea).

Buddleia magnifica, dark purple, in long spikes. 1/6.

Buddleia Veitchiana (Flowers resemble English Lilac and of a bright lilac colour); height, 8ft. (E). 1/6. C.W.
Rapid growing plants, suitable for covering unsightly objects.

Callistemon lancelatus, scarlet; 6ft. (E). 2/-. C.W.
A brilliant flowering shrub; likes moisture.

Calodendron capense (Cape Chestnut); 30ft. (E). 2/-. W.
A graceful tree, producing handsome white with pink markings, orchid-like flowers.

Camellia (See Special List).

Camphora officialis (Camphor); 25ft. (E). 1/6. W.
Splendid ornamental trees, the Camphor of commerce; does well in hot climates. (Also see Hedge Plants).

Canna (See Herbaceous List).

Carob Tree (See Ceratonia).

Cassia candolleana, yellow; 12ft. (E). 1/6. W.
Brilliant flowering shrub, very striking and attractive.

Castanea vesca (Spanish Chestnut); 15ft. (D). 2/6. C.
Requires good, rich, deep soil.

Castanospermum Australe (Moreton Bay Chestnut); saffron; height, 35ft. (E). 2/-. W.
Highly ornamental and very attractive when in flower.

Catalpa; height, 10ft. (D). 2/-. C.

Cerasus lauro cerasus, white (Laurel); 12ft. (E). 1/6. C.

Cerasus lusitanica, white (Portugal Laurel); height, 15ft. (E). 2/-. C.
Beautiful ornamental shrubs of rapid growth.

Ceratopetalum gummiferum, pink; 25ft. (E). 2/6. W.
The well-known and beautiful Christmas Tree of Australia.

Ceratonia siliqua (Carob Tree); 15ft. (E). 2/-. W.
Fine hardy, ornamental tree, producing edible beans; good for hot climate.

Cercis siliquastrum (Judas Tree), red; 20ft. (E). 2/6. C.

Chinese Lantern (See Abutilon).

Chinese Rose (See Hibiscus).

Choisya ternata (Mexican Orange Flower), white; height, 5ft. (E). 2/-. C.W.
A neat little border shrub, perfumed.

Christmas Bush (See Ceratopetalum).

Christia grandiflora, buff and red; 3ft. (E). 2/-. W.
An interesting little border shrub.

Cigar Flower (See Cuphea).

Clianthus puniceus, scarlet; 6ft. (E). 2/-. C.
Gorgeous flowering shrub, known as the N.Z. Glory Pea.

Clethra arborea (Lily of the Valley Tree); height, 8ft. (E). 2/-. C.W.
A beautiful shrub, of compact growth, bearing racemes of pure white flowers, similar to the Lily of the Valley.

Coprosma Baueriana variegata; 6ft. (E). 2/-. C.W.

Coprosma picturata; height, 6ft. (E). 2/-. C.W.

Coprosma lucida; height, 6ft. (E). 1/6. C.W.
Very hardy, handsome evergreen shrubs, with shining leaves. Baueriana and Picturata are most beautiful variegated shrubs; thrive well near the sea.

(Also see Hedge Plants.)

Coral Tree (See Erythrina).

Cotoneaster Simmondsi; height, 4ft. (E). 2/-. C.
Hardy shrub, bearing scarlet berries.

Crataegus oxycantha, double white; 12ft. (D). 2/6. C.

Crataegus oxycantha, double red; 12ft. (D). 2/6. C.

Crataegus pyracantha, white (evergreen thorn); height, 4ft. (E). 2/-. C.

Crataegus crenulata, red berries; 5ft. (E). 2/-. C.W.
The double-flowering Hawthorns are most attractive shrubs.

(Also see Hedge Plants.)

Cuphea jorullensis, orange, red and yellow; 4ft. 1/6. W.
Pretty shrub, very free bloomer.

Currajong (See Sterculea).

Cydonia japonica, red; 3ft. (E). 2/-. C.W.

Cyphomandra betacea (the tree tomato), an ornamental tree bearing edible fruit; height, 8ft. (E). 1/6. W.

Cytisus laburnum, yellow; 8ft. (D). 2/-. C.

Daphne Indica rubra, red and white; 3ft. (E). 3/-. C.

Daphne odora, white; 4ft. (E). 3/-. C.
Highly perfumed, favourite border plants.

Deutzia crenata fl. pl., white; 6ft. (D). 1/6. W.

Deutzia gracilis, white; 1½ft. (D). 1/6. W.

Deutzia Pride of Rochester, double white; 4ft. (D). 1/6. W.
Fine hardy dwarf flowering shrubs.

Diervilla (Wiegelias) Abel Carriere, light red; 6ft. (D). 1/6. C.W.

Packing on above, 1/- dozen.

Shepherd's Trees, Shrubs and Flowering Plants—(Continued).

SPECIAL PRICES QUOTED FOR QUANTITIES.

Diervilla alba, white; 6ft. (D). 1/6. C.W.

Diervilla Chameleon, light pink; 6ft. (D). 1/6. C.W.

Diervilla Eva Rathke, bright red; 6ft. (D). 1/6. C.W.

Diervilla Gloire des Bosquets, dark red; 6ft. (D). 1/6. C.W.

Diervilla Isoline, rosy white; 6ft. (D). 1/6. C.W.

Diervilla rosea, pink; 6ft. (D). 1/6 C.W.

Diervilla Steizneri, bright pink; 6ft. (D). 1/6. C.W.
Old English favourites, brilliant and profuse bloomers, and hardy.

Diosma ericoides, white; height, 3ft. (E). 2/-. W.
A sweetly perfumed and beautiful shrub, very hardy.

Diplacus, orange; 2ft. (E). 2/-. W.
A useful plant, being nearly always in flower.

Dombeya Mastersi, white; 8ft. (E). 2/-. W.

Dombeya Dregiana, white; 10ft. (E). 2/-. W.
Splendid shrubs, suitable for large borders, very hardy.

Doryanthes excelsa, red; height, 6ft. (E). 2/6. W.
The gigantic Lily, sending up a stem 12 feet high, with a large head of flowers.

Dracaena australis; 10ft. (E). 1/6. W.
Beautiful palm-like trees, very hardy and valuable for effect in large plantations.

Duranta plumieri, blue; 8ft. (E). 1/-. C.W.

Duranta alba, white; 6ft. (E). 1/-. C.W.
Good hardy shrubs, suitable for hedges. (See Hedge Plants).

Edwardsia microphylla (Kowhai), yellow; 12ft. (E). 2/-. W.
Pretty fern-like foliage.

Eleagnus variegatus; 10ft. (E). 2/-. C.
A hardy shrub, with handsome variegated foliage.

Elderberry (See Sambucus).

Elm (See Ulmus).

Erica (See Special List).

Erythrina cristagalli, scarlet; 10ft. (D). 2/-. W.
Gorgeous flowering plants.

Escallonia macrantha, red; 3ft. (E). 1/6. C.W.

Escallonia montavidiensis, white; 12ft. (D). 2/-. C.W.
Fast-growing, showy flowering shrubs, very hardy.

Eucalyptus citriodora (Lemon Gum); 50ft. (E). 1/6. W.

Eucalyptus corynocalyx (Sugar Gum); 100ft. (E). 1/6. W.

Eucalyptus ficifolia, crimson; 10ft. (E). 2/-. W.

Eucalyptus globulus (Blue Gum); 100ft. (E). 1/6. C.W.

Eucalyptus calophylla rosea, pink; 30ft. (E). 2/-. W.
Most desirable trees for large plantations. The leaves of Citriodora have a delightfully refreshing perfume. Ficifolia is a gorgeous flowering shrub, and Globulus purifies the atmosphere by absorbing noxious gases.

Eugenia jambosa (Rose Apple); 20ft. (E). 2/-. W.

Eugenia Smithii (Lilli-pilli); 20ft. (E). 2/-. W.
Beautiful hardy shrubs, attractive for their richly-coloured fruit, which are borne in great abundance.

Euonymus albus; 6ft. (E). 2/-. C.

Euonymus aureus; 4ft. (E). 2/-. C.
Handsome hardy shrubs, with fine variegated foliage.

Euphorbia splendens, scarlet; 3ft. (E). 2/-. C.W.
Suitable for pot culture or open border, being very hardy.

Exochorda grandiflora (true); 8ft. (D). 2/-. C.
Flowers are pure white, profuse bloomers, really fine shrubs.

Fagus sylvatica (Beech); 60ft. (D). 3/6. C.

Fagus purpurea (Purple Beech); 30ft. (D). 5/-. C.
Grand ornamental trees, suitable for cold climates.

Ficus australis (Port Jackson Fig); 60ft. (E). 2/-. W.

Ficus Benjaminii (The Weeping Fig); 40ft. (E). 3/- W.

Ficus macrophylla (Moreton Bay Fig); 100ft. (E). 2/-. W.
Splendid trees for rock soil, where it is difficult to grow ordinary trees; they will grow anywhere.

Fiddlewood (See Citharexylum).

Flame Trees (See Brachychiton).

Flowering Cypress (See Tamarix).

Franciscea americana (Brunsfelsia), pale yellow; height, 4ft. (E). 2/6. W.

Franciscea latifolia, purple; height, 6ft. (E). 2/6. W.

Franciscea eximia, blue and white; height, 5ft. (E). 2/6. W.
Beautiful flowering plants.

Fraxinus excelsior (Ash); 50ft. (D). 2/-. C.

Fraxinus aurea (Golden Ash); 50ft. (D). 3/6. C.
Magnificent ornamental trees, suitable for cold districts.

Gardenia globosa, white; 12ft. (E). 2/-. W.

Gardenia magnifica, white; 4ft. (E). 2/-. W.
Most beautiful and fragrant flowering shrubs, with attractive foliage.

Gerbera (African Daisy) (See Herbaceous List).

Genista, yellow, sweet scented; 4ft. (E). 2/-. C.W.

Giant Lily (See Doryanthes).

Glory Pea (See Clianthus).

Grevillea robusta, orange; 50ft. (E). 1/6. W.

Grevillea Hilliana, white; 25ft. (E). 2/-. W.
A magnificent tree with beautiful fern-like leaves; robusta is the Silky Oak of Queensland. A useful timber.

Guelder Rose (See Viburnum).

Gum Tree (See Eucalyptus).

Habrothamnus elegans, carmine (also see Cestrums); 4ft. (E). 1/6. C.W.
Beautiful hardy border plants, nearly always in flower.

Hawthorn (See Crataegus).

Heath (See Erica, Special List).

Heliotropium aureum, blue; 2ft. (E). 1/6. W.
Golden leaves.

Heliotropium President Garfield, mauve; 3ft. (E). 1/6. W.

Heliotropium White Lady, white; 2ft. (E). 1/6. W.
The perfume of the heliotrope cannot well be surpassed; rarely out of flower.

Hibiscus Andersoni, carmine, dark eye; 4ft. (E). 2/-. W.

Hibiscus Conqueror (E); buff yellow, with dark eye. 2/-. 6ft.

Hibiscus Harwoodi, beautiful pink; 4ft. (E). 1/6. W.

Packing on above, 1/- dozen.

Shepherd's Trees, Shrubs and Flowering Plants—(Continued).

SPECIAL PRICES QUOTED FOR QUANTITIES.

Hibiscus General Courteges, crimson; 4ft. (E). 1/6. W.

Hibiscus Island empress (E); double rich pink. 2/-. W. 6ft.

Hibiscus Camdeni, crimson; 8ft. (E). 1/6. W.

Hibiscus Island Queen, a beautiful large flowering pink; 5ft. (E). 2/-. W.

Hibiscus Peachblow, salmon pink, semi-double; 8ft. (E). 2/-. W.

Most brilliant and showy flowering shrubs. Also see Hedge Plants).

Holly (See Ilex).

Horse Chestnut (See Æsculus).

Hydrangea Avalanche, white; 4ft. (D). 1/6. C.W.

Hydrangea La Lorraine, pink; 4ft. (D). 1/6. C.W.

Hydrangea Madam E. Moulliere, white, pink eye; 4ft. (D). 1/6. C.W.

Hydrangea Ornament, rosy purple; 4ft. (D). 1/6. C.W.

Hydrangea Radiant, new pink; 4ft. (D.) 1/6. C.W.

Enormous flowers and large attractive foliage; hardy useful shrubs. Variegata has beautiful variegated foliage.

Hypericum moseranium, yellow; 3ft. (E). 2/-. C.

Hypericum tricolor, variegated, yellow; 3ft. (E). 2/-. C.

Very hardy, showy dwarf flowering shrubs.

Ilex aquifolium (English Holly); 20ft. (E). 2/-. C.

Ilex Golden (Holly); 8ft. (E). 3/6. C.

Ilex Silver (Holly); 8ft. (E). 3/6. C.

Ilex cornuta (Chinese Holly); 8ft. (E). 2/6. C.W.

Very attractive foliage and hardy in the coldest districts.

Inga pulcherrima, scarlet; 6ft. (E). 2/-. W.

One of the most gorgeous flowering shrubs, with beautiful foliage.

Iochroma tubulosa, blue; 9ft. (E). 2/-. W.

Quick-growing, handsome shrub.

Jacaranda mimosaefolia, blue; 30ft. (D). 1/6. W.

A gorgeous flowering tree, with graceful fern-like foliage.

Jasminum fruticans (Yellow Jasmine); 8ft. (E). 2/-. C.W.

Grand old favourite, producing a profusion of flowers. (Also see Climbers).

Justicia magnifica, flesh; 2ft. (E). 1/6. W.

Pretty little border shrubs.

Kerria japonica, fl. pl., yellow; height, 4ft. (D). 2/-. C.

Kurrajong (See Sterculea).

Laburnum (See Cytisus).

Lagerstroemia (Crape Myrtle) alba, white; 10ft. (D). 3/-. W.

Lagerstroemia indica rubra; 20ft. (D). 2/6. W.

Lagerstroemia eavesii, beautiful heliotrope colour, large blooms (D). 2/6. W. 8ft.

Gorgeous flowering shrubs of rapid growth. Prune back to trunk each winter.

Lagunaria Patersoni, pink; 25ft. (E). 2/-. W.

Suitable for situations exposed to the sea.

Lasiandra macrantha, purple; 8ft. (E). 2/-. W.

Lasiandra grandiflora, rich purple flowers, very large; one of the best shrubs. 2/6 each. 6ft.

Lasiandra rosea, pink; 6ft. (E). 2/-. W.

Constant, profuse and beautiful flowering shrubs.

Laurel (See Cerasus; also Hedge Plants).

Laurus nobilis (Sweet Bay); 30ft. (E). 2/-. C.

A splendid hardy tree, with leaves highly perfumed.

Laurustinus (See Viburnum).

Lavendula spica, English Lavender; 1/6. W. 2ft.

Sweetly perfumed old favourite.

Ligustrum chinensis, white, free-flowering; 15ft. (E). 1/6. C.W. Perfumed, 12/- doz.

Ligustrum japonicum, white; 8ft. (E). 2/6. C.W.

Nice specimen shrub.

Ligustrum lucidum, white; 20ft. (E).

For tall hedges 2/6 doz; 17/6 per 100.

(Also see Hedge Plants).

Handsome ornamental shrubs, hardy and attractive foliage.

Lilac (See Syringa).

Lilli-Pilli (See Eugenia).

Lime or **Linden** (See Tilia).

Liquidambar styraciflua; 20ft. (D). 2/6. C.

The leaves of this tree turn crimson in the Autumn and are beautiful for decoration.

Liriodendron tulipiferum (Tulip tree); 60ft. (D). 2/6. C.

A noble tree, with splendid foliage and handsome flowers, likes a cold climate.

Lophostemon (See Tristania).

Mackaya bella, lilac, nice foliage and pretty flowers; 6ft. (E). 1/6. W.

Macadamia ternifolia (Queensland Nut), white; height, 20ft. (E). 1/6. W.

Hardy ornamental tree, with holly-like foliage, producing edible nuts in profusion.

Magnolia conspicua, purple and white; 20ft. (D). 5/-. C.

Magnolia fuscata, yellow; 10ft. (E). 2/-. W.

Magnolia grandiflora, white; 30ft. (E). 2/6. C.W.

Magnolia purpurea, purple; 15ft. (D). 3/6. C.

Magnolia stellata, white; height, 6ft. (D). 5/-. C.

Magnolia stellata rosea; height, 6ft. (D). 5/-.

Grand ornamental shrubs, profuse bloomers and fine foliage. Grandiflora is about the noblest flowering tree known, large and beautifully perfumed flowers.

Mahonia (See Berberis).

Maple (See Acer).

Marguerite (See Chrysanthemum frutescens, Herbaceous List).

May (See Spirea).

Melia azedarach, lilac (White Cedar); 20ft. (D). 1/6. W.

A most rapid growing and profuse flowering tree; very hardy, useful for new plantations.

Metrosideros tomentosus, scarlet; 25ft. (E). 2/-. C.

A grand flowering tree, suitable cold climates.

Mock Orange (See Philadelphus).

Moreton Bay Chestnut (See Castanospermum).

Moreton Bay Fig (See Ficus).

Mountain Ash (See Pyrus).

Murraya exotica, white; 8ft. (E). 2/6. W.

Compact shrub, flowers of exquisite fragrance.

Myrtus communis, white (Myrtle); 6ft. (E). 2/6. C.

The perfume of the Myrtle is simply delightful.

Nandina domestica, crimson berries; 5ft. (E). 2/6. C.

A graceful flowering shrub.

Nerium alba, single white; 10ft. (E). 1/6. C.W.

Nerium Dr. Golfin, deep rosy red, single; 6ft. (E). 1/6. C.W.

Packing on above, 1/- dozen.

Shepherd's Trees, Shrubs and Flowering Plants—(Continued).

SPECIAL PRICES QUOTED FOR QUANTITIES.

Nerium luteum plenum, creamy yellow, semi double; 6ft. (E). 1/6. W.

Nerium Madonna grandiflora, semi double, white; 6ft. (E). 1/6. C.W.

Nerium Mons Belaguier, single, light pink; 6ft. (E). 1/6. W.

Nerium splendens, double pink; 10ft. (E). 1/6. C.W.

Fine hardy flowering shrubs; can hardly be misplaced.

New Zealand Flax (See Phormium).

Oak (See Quercus).

Ochna Multiflora, yellow; 3ft. (E). 2/-. W.

A very interesting plant, producing fragrant flowers and berries, black and scarlet.

Olea vulgaris (Olive). See Hedge Plants and Fruit Trees. C.

Oleander (See Nerium).

Olive (See Olea).

Osmanthus illicifolius variegatus; 4ft. (E). 2/-. C.

Compact dwarf holly-like shrubs, very hardy.

Pampas Grass (Gynerium). See Herbaceous List.

Pepper Tree (See Schinus).

Petunia (See Herbaceous List).

Penstemons (See Herbaceous List).

Philadelphus coronarius, white; 4ft. (E). 1/6. C.

Philadelphus grandiflorus, white; 4ft. (D). 1/6. C.

Philadelphus multiflorus plenus, white; 5ft. (D). 1/6. C.

Very hardy and useful shrubs, producing a profusion of pure white perfumed flowers.

Phlox perennial (See Herbaceous List).

Phormium tenax (New Zealand Flax); 5ft. (E). 1/6. C.

Phormium tenax variegatum; 7ft. (E). 2/6. C.

Useful for ties, as well as ornamental; very hardy.

Photinia serrulata (Chinese Hawthorn), white; 15ft. (E). 1/6. C.W.

A splendid free flowering shrub, for any climate.

Pittosporum eugenoides, brown; 15ft. (E). 1/6. C.W.

Pittosporum eugenoides, variegatum; 10ft. (E). 2/-. C.W.

Pittosporum nigrescens, dark brown; 10ft. (E). 1/6. C.W.

Pittosporum undulatum, cream; 25ft. (E). 1/6. C.W.

Hardy ornamental shrubs of great beauty; useful for hedges as well as for general planting.

(See Hedge Plants).

Platanus orientalis (Plane Tree); 50ft. (D). 2/-. C.W.

A noble, quick-growing tree, with fine foliage; will grow in any climate.

Plumbago capensis, blue; 6ft. (E). 1/6. W.

Plumbago Capensis Alba, white; 6ft. (E). 1/6. W.

Profuse flowering hardy shrubs. (Also see Hedge Plants).

Plumeria acuminata (Frangipanni plant), yellow and white; 10ft. (E). 3/-. W.

Produces sweet scented flowers in abundance.

Poinciana Gillesi, yellow; 6ft. (D). 2/6. W.

Beautiful free flowering shrub.

Poinsettia pulcherrima, scarlet; 10ft. (D). 2/-. W.

Showy Autumn flowering shrub.

Pomegranate (See Punica).

Poplar (See Populus).

Populus argentea bolleana, silver; does not throw suckers! 40ft. (D). 1/6. C.

Populus dilitata (upright Poplar); 60ft. (D). 1/6. C.

Hardy trees of very rapid growth.

Privet (See Ligustrum, also Hedge Plants).

Protea mellifera (Cape honey flower), yellow; 10ft. (E). 3/6. W.

Prunus chinensis alba, fl. pl. (Flowering Plums); double white, 6ft. (D). 2/6. C.

Prunus chinensis rosea, fl. pl.; 6ft. (D). 2/6. C.

Double pink.

Prunus pissardi; 12ft. (D). 2/-. C.

Prunus Vesuvius, the best purple leaved variety; a magnificent foliage tree. 2/-. C.

Pissardi is an ornamental species, having splendid coppery-crimson foliage, strikingly pretty.

Punica granatum (Pomegranate); 10ft. (D). 1/6. W.

Punica granatum flora plena, double scarlet; 10ft. (D). 1/6. W.

Brilliant hardy shrubs, very attractive.

Pyrus aucuparia (Mountain Ash or Rowan Tree); 30ft. (D). 2/6. C.

Splendid shrubs for cold districts, attractive alike for their foliage and flowers.

Queensland Nut (See Macadamia).

Quercus coccinea (Scarlet Oak); 50ft. (D). 2/6. C.

Quercus Robur (English Oak); 40ft. (E). 2/6. C.

Quercus virens (Evergreen Oak); 40ft. (E). 2/6. C.

Grand ornamental trees for park and pleasure grounds, suitable for the coldest climate.

Raphiolepis indica, white (Indian Hawthorn); 4ft. (E). 1/6. C.W.

Raphiolepis intermedia, white; 8ft. (E). 1/6. C.W.

Raphiolepis ovata, white; 4ft. (E). 1/6. C.W.

Very hardy shrubs. Indica forms a fine hedge. (See Hedge Plants).

Rhododendron, several imported varieties, each 3/6 to 7/6. C.

Gorgeous flowering shrubs of surpassing beauty, suitable for cold districts.

Rhus succedanea (Wax Tree); 10ft. (D). 2/-. C.

The leaves of these plants turn a bright crimson in the Autumn, and are very attractive.

Rondeletia; (E). 2/6. W.

Brilliant little border plants.

Rosemary (See Rosmarinus).

Rosemarinus officinalis, Rosemary; 4ft. (E). 1/6. W.

Russellia juncea, scarlet; 6ft. (E). 2/-. W.

Most attractive free flowering plant.

Salix babylonica (Weeping Willow); 60ft. (D). 1/6. C.

The Willow is most attractive in Spring when bursting into leaf; it will grow in wet situations.

Salvia (See Herbaceous Plants).

Sambucus argentea variegata; 10ft. (D). 1/6. C.

Sambucus aurea (Golden Elder); 10ft. (D). 1/6. C.

Sambucus laciniata, cut leaved; 8ft. (D). 1/6. C.

Schinus molle (Pepper Tree); 25ft. (E). 1/-. W.

Cheap in quantity.

One of the best ornamental tree-shrubs in cultivation; hardy and very graceful habit.

Silky Oak (See Grevillea).

Snowball Tree (See Viburnum).

Snowberry (See Symphoria).

Spanish Chestnut (See Castanea).

Sparteum junceum (Spanish Broom), yellow; 6ft. (E). 1/6. C.W.

Sparteum multiflorum album, white; 8ft. (D). 1/6. C.W.

Free flowering shrubs, suitable for any climate.

Spiraea Anthony Waterer, rich crimson; height, 2ft. (D). 1/6. C.

Packing on above, 1/- dozen.

Shepherd's Trees, Shrubs and Flowering Plants—(Continued).

SPECIAL PRICES QUOTED FOR QUANTITIES.

Spiraea ariafolia; 2ft. (D). 1/6. C.
Spiraea Douglasi, rose; 3ft. (D). 1/6. C.
Spiraea grandiflora, white; 4ft. (D). 1/6. C.
Spiraea caryopteris mastocanthus, blue spiraea; 6ft. (D). 1/6. C.
Spiraea Reevesiana, white, single; 4ft. (D). 1/6. C.W.
Spiraea Reevesiana, fl. pl., double white; 4ft. (D). 1/6. C.W.
Most attractive flowering shrubs; can hardly be misplaced.
Stenocarpus Cunninghami, crimson; 25ft. (E). 2/-. W.
An exceedingly handsome tree with highly ornamental foliage and brilliant flowers.
Sterculia diversifolia (Kurrajong); height, 50ft. (E). 1/6. W. (Cheap in quantity).
Hardy trees adapted for any climate.
Strelitzia augusta, 15ft. (E). 5/-. W.
Strelitzia regina, yellow and blue; height, 4ft. (E). 5/-. W.
Remarkable plants; continuously in bloom, very attractive.
Sweet Bay (See Laurus).
Scented Verbena (See Aloysia).
Sycamore (See Acer).
Syncarpia laurifolia (Turpentine); 50ft. (E). 2/-. C.W.
A grand hardy tree, will do anywhere.
Syringa vulgaris (Lilac); 12ft. (D). 2/6. C.
Syringa alba, white; 12ft. (D). 2/6. C.
We can also supply grafted plants of named double and single sorts, 2/6 each.
Suitable for cold climates; profuse flowering shrubs.
Tamarix Gallica (Flowering Cypress), pink; 12ft. (D). 2/6. C.W.
A graceful free flowering shrub.
Tecoma capensis, crimson; 12ft. (E). 1/6. W.
Tecoma Smithii, yellow; 8ft. (E). 1/6. W.
Tecoma velutina, yellow; 10ft. (E). 1/6. W.
Splendid shrubs, producing a profusion of beautiful flowers for a long season. (Also see Hedge Plants).
Telopea speciossima, Waratah, crimson; height, 10ft. (E). 3/6. W.
The well-known national flower.
Tilia Europaea (Linden); height, 50ft. (D). 3/6. C.
Fine ornamental tree for cold climates.
Toxicophlaea spectabilis, white; 5ft. (E). 2/-. W.
Handsome shrub, with attractive foliage.
Tree Lucerne (See Cytisus).
Tree of Heaven (See Ailanthus).
Tristania conferta (Lohpostemon); height, 50ft. E.). W. 1/6. 16/- doz; £6 per 100.
A magnificent fast-growing hardy shade tree, highly ornamental.
Tulip Tree (See Liriodendron).
Turpentine (See Syncarpia).
Ulmus campestris (English Elm); 80ft. (D). 2/-. C.
Grand ornamental trees for cold climates.
Verbena (See Herbaceous List).
Veronica Andersoni, blue; 4ft. (E). 1/6. C.
Veronica Andersoni variegata, blue; 4ft. (E). 1/6. C.
Veronica gracilis, white; 5ft. (E). 1/6. C.
Veronica Hulkei, lavender; 4ft. (E). 1/6. C.
Veronica Imperialis, magenta-red; 3ft. (E). 1/6. C.
Veronica Lobeliaeoides, blue; 3ft. (E). 1/6. C.
Beautiful hardy border plants, most useful for cut flowers.
Viburnum opulus, white (Guelder Rose or Snowball Tree); 10ft. (D). 2/-. C.W.
Viburnum suspensum, white; 10ft. (E). 1/6. C.
Viburnum tinus, white (Laurustinus); 6ft. (E). 1/6. C.W.
Viburnum tinus lucidum, white; 6ft. (E). 1/6. C.W.
Valuable hardy flowering shrubs; will grow anywhere. (Also see Hedge Plants).
Waratah (See Telopea).
Wattle (See Acacia).
White Cedar (See Melia).
Wiegelia (See Diervillea).
Willow (See Salix).

SHEPHERD'S HARDY CLIMBING PLANTS.

CHEAPER IN QUANTITY.

Climbers are highly desirable, their graceful habit and varied blooms adding much to the general effect of a plantation. They can be trained at will, and employed as screens for shutting out unsightly objects, covering old walls, fences, stumps, etc. A luxuriant growth of vines is one of the greatest adjuncts to the beautifying of any home or building; even a wire fence, dead tree-trunk and bare walls are most picturesque when softened by climbing plants.

* Hardy in climates similar to that of Sydney. Those not marked may be regarded as hardy to Australia. Those marked C, for very cold climates.

Akebia quinata; 15ft. (E). 2/-.
A handsome climber from Japan, with clusters of lilac-brown flowers.
Ampelopsis (Virginia Creeper).
Ampelopsis Veitchi; height, 20ft. (D). 1/6. C.
Hardy foliage plant most attractive in Autumn, when the leaves assume a brilliant crimson color; clings to almost anything.
*Antigonon leptopus, rose; 50ft. (E). 2/-.
Beautiful clusters of flowers.
Aristolochia elegans (Dutchman's Pipe), purple and white; height, 12ft. (E). 2/-.
Attractive pitcher-like flowers.
Asparagus plumosus; height, 8ft. (E). 1/6.
Climbing asparagus fern. (Also see Herbaceous List).
*Bauhinia scandens, pink and white; 20ft. (E). 2/6.
*Beaumontia grandiflora, white; 20ft. (E). 2/-.
A magnificent flowering climber, producing large white trumpet-shaped flowers, highly perfumed.
Bignonia australis (Wonga Wonga Vine); cream and brown; a native climber; 30ft. (E). 1/6.
Bignonia capreolata, orange and red; 20ft. (E). 2/-.

Packing on above, 1/- dozen.

Shepherd's Hardy Climbing Plants—(Continued).

Bignonia cherere; large rich scarlet. (E). **2/-.**
Bignonia excelsa, cream; 20ft. (E). **2/-.**
Bignonia jasminoides, flesh; 20ft. (E). **1/6.**
Bignonia Lindleyana, lilac; 15ft. (E). **1/6.**
Bignonia rosea, light rose; 20ft. (E). **1/6.**
Bignonia tweediana, yellow; 20ft. (E). **1/6.**
Bignonia venusta, orange; height, 20ft. (E). **1/6.**
Splendid free flowering, hardy climbers, well worthy of cultivation.
***Bougainvillea glabra Sanderiana**, violet; height, 16ft. (E). **2/-.**
***Bougainvillea magnifica traili**, reddish purple; height, 15ft. (E). **3/-.**
Nothing can surpass the grandeur and brilliancy of these truly magnificent climbers. (Also see Hedge Plants).
Canavallia Bonariensis, pink; height, 50ft. (E). **2/-.**
One of the most rapid growing climbers, beautiful glossy green foliage and pink flowers.
Cobaea scandens, purple; 20ft. (E). **2/-.**
Quick-growing, large handsome flowers.
Clematis; (D). **2/-.**
Dolichos lignosus, pink; 25ft. (E). **1/6.** C.
Dolichos lignosus alba, white; 25ft. (E). **1/6.** C.
Very fast-growing, good for covering unsightly objects.
Ficus stipulata (Climbing Fig); 25ft. (E). **1/6.**
Ficus minima (Climbing Fig); 15ft. (E). **1/6.**
Clinging to walls, trees, fences, etc. Useful for covering unsightly objects.
Gelsemium sempervirens, yellow; 10ft. (E). **1/6.**
A neat climber, with perfumed flowers.
Hedera helix (ivy); 40ft. (E). **1/6.** C.
Hedera variegata; 20ft. (E). **2/-.** C.
Very useful robust-looking climbers, with beautiful foliage.
Honeysuckle (See Lonicera). C.
Hoya carnosa (Wax Flower), pale pink; 12ft. (E). **2/-.**
Ivy (See Hedera). C.
Jasminum grandiflorum, white; 15ft. (E). **2/-.** C.
Jasminum poicoiceum, white, star-like flowers; 8ft. (E). **2/-.** C.
Fragrant, chaste, and beautiful flowers.
Lathyrus latifolius alba. (Everlasting Peas), pure white. **1/6.**
Lathyrus latifolius rosea, deep rose. **1/6.**
Lathyrus latifolius pubescens, blue. **1/6.**
Lathyrus latifolius, Blush Queen (New). **1/6.**
Attractive both in foliage and bloom, flowers fine for cutting.
Lonicera aurea reticulata, white; 10ft. (E). **1/6.** C.
Lonicera caprifolium, English honeysuckle; 15ft. (E). **2/-.** C.
Lonicera tartarica splendens, scarlet; 10ft. (E). **2/-.** C.
Grand hardy, fragrant climbers, of rapid growth.
Manettia bicolor; 4ft. (E). **1/6.**
A brilliant and beautiful dwarf climber.
Mandevillea suaveolens, white; 25ft. (D). **1/6.** C.
A grand free flowering climber; beautiful.
Medeola asparagoides myrtifolia (smilax); height, 6ft. (E). **2/-.**
Passiflora Empress Eugene, lilac; 30ft. (E). **2/-.**
Passiflora edulis (passion fruit); 12ft. (E). **9d.** (Cheaper in quantity).
Passiflora Enyesford Gem, purplish scarlet; 12ft. (E). **2/-.**
Fast growing, with most attractive flowers.
Phaseolus caracalla (Snail Flower); lavender; 30ft. (E). **2/-.**
One of the finest climbers, producing a profusion of blooms of curious snail-like form.
***Quisqualis indica**, red; 20ft. (E). **2/6.**
A neat and graceful plant.
Rhyncospermum jasminoides, white; 15ft. (E). **2/-.**
Rhyncospermum jasminoides variegata, white; 10ft. (E). **2/-.**
Exceedingly pretty and fragrant flowers.
Snail Flower (See Phaseolus).
Solanum jasminoides grandiflora, white; 20ft. (E). **1/6.**
***Solanum Seaforthianum**; 15ft. (E). **1/6.**
Beautiful clusters of blue flowers.
***Solanum Wendlandi**; height, 20ft. (D). **2/-.**
Superb summer flowering vines. Colour, an attractive shade of lavender blue, strikingly beautiful.
***Stephanotis floribunda**, white; 10ft. (E). **2/6.**
A beautiful perfumed climber.
Stigmaphyllon ciliatum, yellow; 20ft. (E). **2/-.**
Large showy foliage and pretty flowers.
Tacsonia ignea, scarlet; height, 20ft. (E). **2/-.**
Tacsonia mollissima, crimson (white passion fruit)); 20ft. **1/6.**
Cannot be surpassed as quick-growing climbers, with very handsome flowers like passion flowers, with very brilliant colours.
***Thunbergia laurifolia**, lilac; 20ft. (E). **2/-.**
Splendid fast-growing climbers.
Virginian Creeper (See Ampelopsis).
Wax Flower (See Hoya).
Wistaria Sinensis, lilac; 20ft. (D). **2/-.** C.
Wistaria sinensis alba, white; 20ft. (D). **2/6.** C.
Wistaria sinensis, fl. pl., double blue; 20ft. (D). **2/6.** C.
Wistaria multijuga, dark purple; 20ft. (D). **3/-.**
Wistaria multijuga alba, white; 20ft. (D). **2/6.** C.
Wistaria multijuga rosea, light pink; 20ft. (D). **2/6.** C.
Wistaria magnifica, blue; height, 60ft. (E). **1/6.**
Gorgeous and profuse flowerers, very strong growers and hardy.

Packing on above, 1/- dozen.

SHEPHERD'S HERBACEOUS, TUBEROUS-ROOTED and SOFT-WOODED PLANTS.

Also, POT PLANTS for BUSH-HOUSE and GLASS-HOUSE.

This section should be largely represented in every collection, comprising as it does the most brilliant and easily cultivated of all flowering plants; it also includes beautiful foliage plants. A judicious selection will render a garden gay with flowers and foliage the whole year round. Many species are well adapted for pot culture for glass or bush house. All those marked (B) would be suitable for verandah culture, providing the ends of the verandah are closed, thus preventing draughts and making

Herbaceous, Tubercus-Rooted and Soft-Wooded Plants—(Continued).

it snug and warm. A glassed-in verandah would be most suitable, then even some of the varieties marked (G) could be tried in it.

Postage, Carriage and Packing Extra.

Acalphya Brownii (G.), leaves blotched bronzy green and red markings. 1/6.

Agathoea coelestis (blue Marguerite), a charming little plant. 1/6.

Alternanthera (See Edging Plants).

Anemone japonica, pure white flowers. 1/-.

Ardisia crenulata (B.), a very attractive little plant, producing a profusion of scarlet berries throughout the winter. 2/-

Arums and Callas (See Calla).

Asparagus Sprengerii (B. Cl.), from 1/6.

Asparagus Plumosus (B. Cl.), from 1/6.

Asparagus Tenuissimus (B. Cl.), from 1/6.
Beautiful evergreen climbers, for bush-house and pot culture; lovely feathery foliage.

Aspidistra variegata (B.), handsome variegated foliage from 5/-.

Aspidistra Lurida (B.), green foliage from 3/-.

Aster alpina (Michaelmas Daisy). Of sorts from 1/-.

Begonias (B.), (Rex, Variegated Foliage), attractive pot plants, of easy culture; useful for table decoration; choicest varieties. 1/6.

Begonias (Shrubby Varieties), hardy, useful flowering plants, either for the open border or for pot culture; constant bloomers. 1/6.

Bletia Hyacinthiana (B.), hardy Orchid; pretty hyacinth-like, purple flowers. 3/6.

Calla Ethiopita, arum lily. 1/-.

Elliottiana, the large golden Arum Lily, with spotted foliage; a noble plant. 2/- each.

Elliottiana Little Gem, small flowering Arum Lily. 1/6.

Coleus, very choice selections, in Spring and Summer. 9d. each; 6/- per dozen.

Canna Sorts, 1/- each; 11/- per dozen.

Chrysanthemum frutescens (Marguerites), white. 1/-.

Chrysanthemum frutescens, yellow. 1/-.

Chrysanthemum frutescens, white, black centre. 1/-.

Chrysanthemum Mrs. F. Sander (New), pure white, double and single blooms, borne in great profusion. 1/-.
Graceful and profuse flowering plants.

Crassula coccinea, crimson. 1/-

Crassula falcata, beautiful border plants. 1/6.

Crinum pedunculatum. 2/-.

Crinum capense. 2/-.

Curculigo recuvata (B.), hardy pot plants. 1/6.

Cyclamen (B.), various colours. 1/6.

Cyperus alternifolius (B.). 1/6.

Cyperus laxus (B). 1/6.
Hardy pot plants with graceful foliage.

Delphinium (Perennial Larkspur)—See Seedlings.

Dracaena (G.), in variety, with beautifully colored leaves; from 1/6.

Eucharis Amazonica (G.) (Amazon Lily), large green leaves, and splendid waxy white flowers, exquisitely perfumed. 2/-.

Eulalia rebrina, handsome variegated grass, very hardy. 1/6.

Farfugium grande (B.), an attractive variegated foliage plant. 1/6.

Funkia japonica (B) (Japanese Day Lily). 1/-.

Funkia japonica variegata, pretty variegated foliage. 1/6.

Gazania Lutea, bright yellow. 1/-.

Gazania Primrose Queen, lemon yellow. 1/-.

Gazania Argentia, variegated foliage. 1/-.

Gerbera Jamiesoni Hybrids, beautiful colours, hybridised from G. Jamiesoni, from 2/- each.

Gloxinia hybrida (G.), a beautiful class of plants, easily grown, dry bulbs or plants. 1/- each; 11/- dozen.

Gloriosa superba (B. & G.), the beautiful climbing Lily of India, with exquisite flowers. Dry tubers in Spring. 2/6.

Gynerium argentium (Pampas Grass). 1/6.

Gynerium roseum. 1/6.
Very hardy, and flowers useful for permanent ornamentation when cut and preserved.

Hedychium coronarium album, sweet-scented, snow-white flowers. 1/6.

Hedychium gardnerianum, lemon yellow, large and fragrant. 1/6.
Tall, Canna-like plants; very showy, with heads of Orchid-like flowers; very ornamental.

Helianthus (Perennial Sunflower), single and double. 1/6.

Hoya carnosa (B. Cl.), better known as wax-plant; very showy, producing bunches of flesh-coloured flowers, having the appearance of wax. 1/6.

Impatiens Holsti (B.), perennial Balsam. 1/-.

Iris (Japanese), 1/- each; 10/- per dozen.

Lily of the Valley (B.), strong clumps, each 1/-.

Lotus pelyorhincus (Coral Gem). 1/6.
A trailing plant, suitable for basket culture, silvery foliage and bright coral red flowers.

Marguerites—(See Chrysanthemum Frutescens).

Maranta bicolour (G.), large olive green leaves, blotched with creamy white. 1/6.

Maranta Leitzei (B.), leaves deep green, with blotches of pale green. 1/6.

Maranta Kerchoveana (G.), pale green, blotched with chocolate. 1/6.

Maranta Zebrina (B.), dark velvety green leaves, blotched with paler green. 1/6.

Mesembryanthemum (12 colours). 1/- each; 9/- per dozen.
Brilliant flowers, suitable for borders and rockeries.

Ophiopogan jaburan variegatus (B.), blue. 1/6.
Graceful plant, with pretty striped leaves.

Pandanus Baptisti (G.), variegated foliage. 2/-.

Pandanus Veitchii (G.), leaves beautifully marked with broad bands of creamy white; very attractive. 2/-.

Pentas Carnea (G.), handsome pink, Bouvardia-like flowers. 1/6.

Pentstemon, valuable plants for the flower garden, producing an abundance of bright and brilliant flowers. Named varieties, 1/- each; 11/- per doz. Special List issued in the Spring.

Petunia, Double Fringed, assorted colours; hardy free flowering, showy plants. 1/- each; 11/- per doz.

Phlox perennial, extremely hardy flowering plants, producing a profusion of beautiful flowers of various shades. 1/- each; 11/- per doz. Special List issued in the Spring.

Salvia, splendens, scarlet; 5/-.
These lovely plants are the most brilliant summer flowers imaginable. We can do these in rooted cuttings from September to January, at 2/- per doz.; or 2/6 per doz., Post Paid.

Saxifraga (Aaron's Beard) (B.), suitable for hanging baskets. 1/-.

Shamrock (True Irish). 1/- per clump.

Herbaceous, Tuberous-Rooted and Soft-Wooded Plants—(Continued).

Spiraea japonica (B.), white. 1/6.
Pretty border plants, and also for pot culture.
Statice arborea, light blue. 2/-.
Statice macrophylla, white. 2/-.
A choice class of plants, of dwarf compact habit, bearing fine heads of bloom.
Stokesia Cyanea. 1/6.
Double starry flowers of a lilac-purple colour.
Tradescantia discolour. 1/6.
Hardy foliage plants, good for rockeries, hanging baskets, &c.
Tritoma grandiflora, orange and red (Fiery Poker plant). 1/6.

WATER LILIES.

A Collection of 6 Varieties for 14/-. Postage or Freight Extra.

The Nympheas are among the most beautiful and satisfactory of this class of plant; late years have added charming new colours and forms. They thrive and flower in small tubs or half-casks, aquariums, tanks, cemented basins, ponds, lakes or streams. We recommend growing in half-casks. Fill one-third with the following material: One part coarse bones in the bottom, one part strong soil and cow manure, and white sand on top. Plunge firmly in soil, keep cask filled with fresh water, and the result will be a success.

FERNS.

Ferns have become an almost indispensable feature in all decorations, whether for apartments or bush-house. No home should be without a few ferns.

Postage or Freight Extra.

Adiantum (Maiden Hair Ferns).
Adiantum Concinnum. 1/6.
Adiantum Concinnum Grandiceps. 1/6.
Adiantum Cuneatum. 1/-.
Adiantum Farleyense. 3/6.
Adiantum Fergusoni. 1/6.
Adiantum Fragrantissima. 2/-.
Adiantum Gracillimum. 1/6.
Adiantum Nobile. 1/6.
Adiantum Scutum Roseum. 2/-.
Adiantum Tenerum. 2/-.
Adiantum Williamsi (Golden Maiden Hair). 2/6.
Alsophila Cooperi (Tree Ferns), from 1/6.
Asplenium Bulbiferum, from 1/6.
Asplenium Diversifolium, from 2/-.
Asplenium Nidus (Birds' Nest), from 1/6.
Cyrtomium Rochfordii. 1/6.
Davallia Dissecta. 1/6.
Davallia Fijiensis. 1/6.
Dicksonia Antartica (Tree Fern), from 3/6.
Lastria Aristata Variegata, from 2/6.
Lygodium Scandens (Climbing), from 1/-.
Nephrolepis Amerpholi, from 1/6.
Nephrolepis Elegantissima. 1/6.
Nephrolepis Exaltata, from 1/6.
Nephrolepis Magnifica. 1/6.
Nephrolepis Tœadoides superba, from 1/6.
Nephrolepis Tessalata. 1/-.
Nephrolepis Whittmani, from 1/6.
Onychium Japonicum, from 1/6.
Phlebodium Aureum, from 1/6.
Platycerium Alcicorne (Elk-horn Fern), from 2/6.
Platycerium Grande (Stag's-horn Fern), from 3/6.
Polystichum Setosum, from 1/6.
Pteris Alexandria (variegated), from 1/6.
Pteris Argyrea, from 1/6.

Well-filled Baskets of Maiden-hair (Nephrolepsis) ready during the Summer months, **from 5/- upwards.**

OUT-DOOR PALMS.

Freight Extra.

What looks grander than a well-grown Palm for the lawn, drive or avenue? They impart a fine tropical effect.

Brahea Robusta (Cotton or Railway Palm), from 2/6 each.
Chamærops Excelsa; height, 20ft.; from 2/6.
Chamærops Humilis; height, 20ft.; from 2/6.
Corypha Australis (Cabbage Palm); 100ft., from 2/6.
Cocos Plumosus; height, 40ft.; from 2/6.
Cocos Vatay; from 2/6.
Latania Borbonica; height, 15ft.; from 2/6.
Macrozamia (Burrawang); height, 6ft.; from 2/6.
Phœnix Canariensis; height, 12ft.; from 2/6.
Phœnix Dactylifera (Date); height, 20ft.; from 2/6.
Phœnix Reclinata; height, 12ft.; from 2/6.
Phœnix Sylvestris; height, 12ft.; from 2/6.
Rhapis Flabelliformis; height, 8ft.; from 5/-.
Sabal Blackburniana; height, 15ft.; from 2/-.
Seaforthia Elegans (Bangalow); 100ft.; from 2/6.

Shepherd's also supply Indoor Palms from 1/6 to 30/- each.

AZALEAS.

They require similar treatment to Rhododendrons, and dislike artificial manures, lime and dry soil. Like Rhododendrons, they are mainly shade-loving plants.

Improved Varieties.

2/6 each, 28/- per dozen. (S.), Single; (S.D.), Semi-double; (D.), Double.

A. de Veraene (D.).—Deep rose.
Apollon (S.).—Red.
Arlequin (S.).—White, red stripes .
Baron de Rothschild (D.).—Purplish violet.
Baron de Vriere (S.).—Large white, green centre.
Bernhardt Andreas Alba (S.D.).—Pure white.

Dame Melanie (S.).—Bright pink, margined with white.
Eugene Mazel (S.).—Bright red, shaded lilac.
Eulalie Van Geert (S.).—Soft pink, bordered white; a very dwarf variety.
Indica Alba (S.).—Pure white.
Juliana (S.).—Red.
Lady Poltimore (S.).—White.
Mdle. Marie Lefebvre (S.).—White; late flowering.
Magnifica (S.).—Large deep purple.
Mortii (S.).—White, shaded cream.
Purpurescens (S.).—Light purple.
Refulgens (S.).—Red.
Roi de Holland (S.).—Red.
Sir Chas. Napier (S.).—Bright pink.
Splendens (S.).—Rosy salmon.
Stells (S.).—Rich orange scarlet.

Kurume Azaleas.

These are named after a district in Japan, and may be called the "Tom Thumb" Azaleas. They are low-growing, producing small flowers in the greatest profusion, so that the plants are frequently covered with bloom. They are specially suitable for edging and bedding purposes, and, as a cut flower, last splendidly in water. Many of the varieties show a hose in hose double form, and some very gay and dainty colours are available. We recommend these with the greatest confidence.

Kurume.—Double white, **2/6** each.
Kurume.—Pink, **2/-** each.
Kurume.—Soft pink, **2/6** each.
Kurume.—Purplish rose, **2/6** each.
Kurume.—Pale rose, **2/6** each.
Kurume.—Pale salmon pink, **2/6** each.
Kurume.—Pinkish white, **2/6** each.
Kurume.—Deep rose, **3/-** each.
Kurume Hinodegiri.—Crimson, **3/-** each.
Kurume Beni Girl.—Red, **3/-** each.
Kurume Kirishima.—Deep salmon, **3/-** each.
Kurume Hatsu Girl.—Purplish red, **2/6** each.
Kurume.—Flowers earlier, and for longer periods than other varieties.
Kurume Rubicunda.—Red, **2/6** each.

BOUVARDIAS.

1/- each, 11/- per dozen, except where otherwise marked.

A beautiful class of plants—one of the most charming perennials, flowering all through the Summer, almost to the middle of Winter. The young plants should be protected from the frost, but when once established are rarely affected. Water and well mulch during the hot Summer months, and cut back in the early Spring.

Alfred Neuner (D.).—Petals waxy white.
Beauty of Brisbane.—Pure white, robust habit.
Bocchi.—Bright pink, white throat, very fine.
Coral Queen.—Deep pink, with white throat.
Duchess of York.—Dainty blush pink.
Enid Oliver.—A distinct variety of a pale pink shade; the individual flowers are formed by six or seven more petals; strong grower. **1/6.**
Ethel Kerslake.—Flowers large, pure white. **1/6.**
Federal Queen.—A cross between President Cleveland and King of Scarlets.
Flavescens Improved.—Large single yellow.
Hogarthil, fl. pl.—Dark scarlet, double.
Humboldtii Corymbiflora.—Immense blooms of deep scarlet; freely produced. **1/6.**
Mabel Porter.—Dark crimson, large and full.
Miss Eileen Beeston.—One of the best, pinkish heliotrope, very attractive. **1/6.**
Miss Ida Cheeseman.—A very distinct variety, with large flowers of a delicate pink colour, the tube and reverse of petals being of a deeper shade. **1/6.**
Mrs. Gazzard.—Showy, bright pink, very good. **1/6.**
Mrs. G. H. Kerslake.—Deliciously fragrant, dwarf, sturdy habit, large trusses of white flowers. **1/6.**
Mrs. McCullough.—Very beautiful, producing immense trusses of flowers of red, salmon colour. **1/6.**
President Cleveland.—Brilliant scarlet.
President Garfield.—Double pale pink.
Priory Beauty.—Pale rose, fine, large trusses.
Salmon Queen.—An exceedingly fine Bouvardia, colour salmon with a darker tube; distinct; flowers through the whole season.

CANNAS.

Many Named Kinds. 1/- each, 11/- dozen.

CAMELLIAS.

Are the most beautiful of all the Winter flowering shrubs we have. The best site for planting is an eastern aspect, shaded, if possible, from the afternoon sun. Autumn is the best time for planting, but may be put out any time, with a little extra care and attention.

2/6 to 3/6 each. Postage or Freight extra. Many Colors.

CHRYSANTHEMUMS.

Ready from September to December. Write for Special List issued in August.
For Staking Chrysanthemums, use 5ft. x 1in. or ½in. stakes. See Stakes.

CARNATIONS.

Varieties marked with (*) are Fringed Edged.

Novelties for 1923.

***SNOWFLAKE** (New)—Pure glistening white large circular bloom, sweetly scented. One of the best whites. A very vigorous grower. **2/6** each.

LA ROUGE (New)—A sport of beauty, colour combination of dark red and maroon. **2/6** each.

***SUNSET** (New)—Yellow ground with rich markings of red, a strong grower. **2/-** each.

Special Carnations.

***SALMON SEQUENCE.**—An extra good salmon type of Sequence. Absolutely non burster and a strong grower. **2/-** each.

***SUMMIT.**—Probably one of the largest Carnations on the market. Colour a delicate shade of flesh pink. **2/-** each.

***SHEILA.**—Colour white ground with pale pink, markings, strong dwarf grower. **2/-** each.

MRS. P. L. STEVENSON.—Colour white ground, with a few scarlet markings. Champion bloom Carnation Society of N.S.W. Show, 1921-2. **2/-** each.

***VENUS.**—A most beautiful flower, colour soft satin pink. The flowers, stem, and growth are perfect, sweetly scented, always in bloom and best for cut flowers for decorative purposes. **1/6** each.

Carnations—(Continued).

GENERAL LIST.

1/- each, 11/- dozen.

*APSLEY.—Sport of Denet, having the same habit and growth. The blooms are equally as large but deeper in colour. 1/- each.

*NIRVANA.—Yellow ground, with rich markings of scarlet, always in bloom.

*MRS. G. LARTER.—Yellow ground marked pink. Very much admired.

NIOBE.—A clear mauve colour, one of the best and always admired. Very strong grower.

*ADELINE CARTER.—Distinct colour, a beautiful shade of mauve, edged plum red. Calyx and stem perfect.

*ADMIRAL BEATTY.—White ground, edged and pencilled purple.

AURAN BUFF.—Ground with markings of red.

AVIGNON.—Yellow ground, speckled with scarlet.

*BELGIUM.—One of the most vivid scarlets.

BEAUTY.—Well named. Cream ground pencilled maroon.

*BATH'S PREMIER.—Pure canary yellow.

*COMET (Improved).—The most popular scarlet grown.

CROCUS.—Deep canary yellow.

CHANCELLOR.—Cream ground, laced pale rose.

CAMILLE.—Salmon red self, smooth petal.

*NEW GUINEA.—A fine yellow self.

*PINK SEQUENCE.—Colour a pleasing shade of pink; growth dwarf, and a constant bloomer.

*PLANET.—A pink self-free flower.

*PINK COMET.—A pleasing shade of pink.

EXLIR.—Good for cut flowers.

QUEEN ELIZABETH.—White ground, edged with red.

ROSE BAY.—One of the best, deep crimson, sweetly scented.

*ROSE PINK.—Enchantress, rose pink.

*SUPERB.—Salmon cerise, excellent.

*SALMONEA.—Fine perfume, a beautiful deep salmon.

*VIRGINIA.—Pink ground, with markings and shadings of vermillion.

TORCHLIGHT.—A popular scarlet.

*WHITE WONDER.—A good white, one of the best.

*WHITE SEQUENCE.—White, with faint pink marks on a few petals.

*WHITE PERFECTION.—A good white, popular with growers.

*WHITE ENCHANTRESS.—Pure white.

WINIFRED.—White ground, pencilled vermillion.

*DENET.—Famed for its size, salmon pink.

DESERT GOLD.—The best smooth edge, yellow self.

*DUCHESS OF DEVONSHIRE.—Fine dark crimson.

*ENCHANTRESS.—Pale flesh pink, large blooms.

GLENDALE.—White, with red stripes.

*GLORY.—An enormous perpetual flowering scarlet.

IDEAL.—Colour between crimson and purple, large blooms of good form.

KIOTA.—Yellow ground, flaked with many colours.

*KERSLAKE YELLOW.—A golden self.

*LILY DE BERTRON.—Colour flesh pink.

*MRS. J. WREN.—Colour white ground, striped pink, fine large blooms.

MRS. G. H. KERSLAKE.—Yellow, scarlet markings.

MARIE.—No collection is complete without this, seen at every show, and always admired. Color white ground, marked scarlet.

*MAUVE KING.—A beautiful lavender Heliotrope shade.

NABOB.—Pearly white ground, picoteed maroon.

DAHLIAS (Cactus, Collarette, Pompone, Paeony, etc.).

Plant from September to December. Special List ready in August.

For staking Dahlias, use 6ft. x 1in. Hardwood Stakes. See Stakes.

ERICA (Cape Heath).

2/6 each, 28/- per dozen. Postage or Freight extra.

These extremely beautiful plants may be grown in almost any good garden soil, but they prefer a good moist, peaty or sandy soil, in a cool position and well sheltered. Several varieties will bloom the whole year round, and for this reason are most desirable for small gardens. Splendid bouquet flowers.

Autumnalis.—Bright, lovely pink.

Bowieana.—Pure white, hardy, always in flower.

Cavendishi.—Yellow; very pretty.

Charsleyana.—White, changing to blush colour.

Cruenta.—Blood-red.

Hybrida.—Light red, one of the best.

Hyemalis.—Pink and white.

Intermedia.—Beautiful white.

Jubilee.—A large flower of the Webleyana type.

Linnæoides.—Purplish rose; very pretty.

Mackinnoniana.—A purplish-rose colour.

Webleyana.—Pale lilac; pretty.

Wilmoreana.—Pink and white; hardy.

FUCHSIAS.

The Fuchsia deservedly enjoys a very high reputation. It cannot be misplaced. In the open garden, the conservatory, bush and green house, verandah, or in the window, it is alike at home.

Varieties marked (D.) are double; (S.) are single.

1/6 each, 16/- per dozen.

Aurora superba (S.).—Tube and sepals rich salmon, corolla orange-scarlet; fine habit, free bloomer.

Avalanche (D.).—Tube and sepals crimson, purple corolla.

Fuchsias—(Continued).

Ballet Girl.—Large double-white.
Beacon (S.).—Tube and sepals crimson, purple corolla.
Beauty of Exeter (S.).—A mixture of light and crimson.
Black Prince (S.).—Tube and sepals bright waxy carmine colour, sepals large and broad.
Colossus.—Single dark-blue corolla, crimson petals.
Countess of Hopetoun (D.).—Very large corolla, pure white, dark-red sepals; extra fine.
De Cherville (D.).—Large double rose corolla, sepals dark red and well reflexed.
Dollar Princess.—Double corolla, dark blue.
Dr. Dollinger (D.).—Large double purple; an old favourite.
Duchess of Edinburgh (D.).—Largest double white.
Earl of Beaconsfield (S.).—Sepals bright rosy carmine, corolla deep carmine, very long tube.
Edmond About (D.).—White corolla, striped rose, reflexed vermillion sepals.
Flora (D.).—Rosy crimson, sepals reflexed, purple corolla, flaked with rosy carmine.
General Roberts (S.).—Drooping habit, sepals rose, deepening into corolla of shaded crimson.
Gumma.—Crimson petals, purple corolla, double.
Jubilee (D.).—Very double, light blue.
Lima.—Dark purple, bordered lilac, double.
Madam Jules Chutain.—Double snow-white corolla.
Mary (S.).—Rich crimson flower.
Molesworth (D.).—Tube and sepals bright carmine, large and full, pure white corolla.
Mrs. Marshall (S.).—Tube and sepals white, corolla pink.
Phenomenal (D.).—Short tube and reflexed sepals, rich reddish-crimson, enormous corolla, azure-violet, flaked with red; one of the largest double Fuchsias.
Rose of Castille (S.).—White sepals, violet corolla.
R. U. Nicholls.—Single, rich crimson; extra large.

King of Denmark.—Salmon-pink; double.
Kitty.—Cherry-red, with white eye, paler blotch in upper petal; single.
Lady Francis Russell.—Single rose, white eye; large.
Madame Carnot.—Pure white flowers; double.
Madame Landry.—Deep salmon; double.
Menelik.—Magenta pink, one-third the bloom pure white.
Miss G. Ashworth.—Pure white; double.
Mrs. Keller.—Rose, with large white eye; dwarf.
Pink Raspail.—Rosy-pink.
Princess Alex.—Single, pale rose.
Princess of Wales.—Single, cherry red.
Sayers' Picotee.—Single white ground, shading to lilac.
Sir Thos. Hanbury.—Single, deep magenta.
Snowstorm.—Single, pure white.
Soldiers Tunic.—Single, intense scarlet.
Winston Churchill.—Magenta, pink, large white centre; single.

IVY-LEAVED GERANIUMS (Pelargoniums).

Nothing can exceed the brilliancy of this beautiful class; they produce blooms in profusion, and can be trained at will, and convert an unsightly object into a thing of beauty.

1/- each, 11/- per dozen; or 12/- per dozen, post paid; or six for 6/6, post paid.

Abel Carriers.—Soft magenta, feathered maroon.
Beauty of Jersey.—Vermillion; semi-double.
Eticelant.—A fine large flower of a bright glowing scarlet colour; free flowering.
Her Majesty the Queen.—Bright amaranth.
Joan of Arc.—White, shaded with lavender; exquisite.
Joseph Warren.—Large rosy-purple.
La Corinthiene.—Delicate pink, large truss.
La Rosiers.—Satiny rose, lighter margin; perfect.
Mrs. Hawley.—Lovely pink shade.
Mrs. J. G. Day.—Intense shade of crimson rose.
Souvenir de Charles Turner.—Rich rosy-cerise.
Vicar of Shirley.—Crimson, spotted purple.

Bronze, Tricolor, Gold and Silver Geraniums (Pelargoniums).

USEFUL FOR BORDERS, etc., in a Sheltered, Sunny Situation.

Choice Selections, 1/- each; or post paid, 1/3 each.

ROSES—Ask for Special List.

PELARGONIUMS.

Pelargoniums are of easy culture in our climate, either in pots or in the open border. No garden, however small, can fairly dispense with these old favourites.

A CHOICE SELECTION OF NAMED VARIETIES.

SHOW and REGAL PELARGONIUMS, 1/6 each, 16/- per dozen.

Postage or Freight extra.

HEDGE PLANTS.

A Hedge is more appropriate than a fence, and more attractive for a Border.

Nothing conduces more to the beauty of a homestead than appropriate Hedgerows, well kept. Hedge plants should be planted early in the season, so that they may be well established before Summer. (C.) denotes varieties suitable for cold climates; (W.) denotes varieties suitable for warm climates.

Bouganvillea Magnifica Trailli.—Best purple one grown. Plant 4ft. apart. **33/-** doz; **£12** per **100.**

Bougainvillea Sanderiana Glabra.—Plant 2ft. apart; makes a pretty hedge, and flowers abundantly. **22/-** per doz; **150/-** per 100. W.

Camphor Laurel.—For a good big hedge, these cannot be beaten. Plant 4 to 6 feet apart. **16/-** per doz.; **£6** per 100. W.

Coprosma Lucida.—Plant 3ft. apart. This is a good hedge plant, and is particularly hardy, especially on the sea coast. **16/-** per doz. W.

Cupressus Lambertiana Horizontalis.—A very quick grower; plant 3ft. apart. **33/-** to **45/-** per doz. C.W.

Cratægus Crenulata.—Red berry. **15/-** per doz. A very pretty compact growing hedge; looks striking when bearing its berries; evergreen. Plant 2ft. apart. C.W. **22/-** doz.

Duranta Plumerii.—A neat-growing evergreen hedge plant, bearing clusters of purplish-blue flowers. **10/-** to **12/-** doz. W.

Hibiscus, Scarlet.—Plant 3ft. apart. Will make a grand ornamental flowering hedge. **16/-** to **22/-** doz. W.

Laurel, English.—Very hardy, pretty dark green foliage, a fine hedge for cold climate. Plant 3ft. apart. **16/-** per doz; **120/-** per 100. C.

Ligustrum Lucidum (Privet).—Plant 12 inches apart. **2/6** per doz.; **17/6** per 100 (not less than 50 at 100 rates). C.W.

Olive, Common (Olea Europea).—Makes a nice evergreen hedge; plant 12 inches apart. **12/-** doz. W.

Pittosporum Undulatum.—These make a fine evergreen hedge for a garden, and can be trimmed close into any desired shape. The foliage is handsome, and of a fine fresh green colour. Plant 2ft. apart. C.W. **16/-** doz.

Plumbago Capensis.—Blue and white in separate colours; makes a pretty, flowering hedge; plant 2ft. apart. **16/-** per doz. W.

Privet, New Golden.—Plant 12 inches apart. C.W. **16/-** doz.

Raphiolepsis (Indian Hawthorn).—Nice free white flowering hedge. Plant 3ft. apart. **16/-** per doz. W.

Tecoma Capensis.—Bright red, flowering hedge. **16/-** per doz. W.

Viburnum Tinum (Laurestinus).—Plant 2ft. apart, useful evergreen hedge, with heads of white flowers. **16/-** per doz. C.W.

A NICE HEDGE LOOKS BETTER THAN A FENCE.

FRUIT TREES—Ask for Special List.

VIOLETS.

It will be freely admitted that this flower is a general favourite. The varieties introduced during the past few years have proved exceptionally fine, both in flower and productiveness. They like a cool and moist situation, and should be mulched during Summer.

Add 3d per dozen extra for postage.

California.—Rich deep blue flower, large and produced very freely. 3d. each; **2/6** per doz.

Count Brazza (Syn. Swanley White).—Pure double white. 6d. each; **5/-** per dozen.

La France (New).—Single, blue metallic lustre, large flower; **2/6** per doz.

Marie Louise.—Large double blue flowers. 6d. each; **5/-** per doz.

Neapolitan.—Double flowers of delicate mauve colour. 6d. each; **5/-** per doz.

Princess of Wales.—A vigorous-growing and free-flowering variety, producing extra large single flowers of a true violet blue; very fragrant. 3d. each; **2/6** per doz.

The Czar.—Single, dark blue; sweet scented. **2/6** per doz.

FREESIA, Mixture of Yellow and White Sorts. 6d. per packet.

GAILLARDIA GRANDIFLORA.—All 3d. per pkt. **Mixed.** Red and yellow single blooms. **Lorenziana.** Double variety, red and yellow shades.

GEUM, Mrs. Bradshaw.—Double scarlet, showy perennial border plants; height, 1ft.; sow in Autumn. 6d. per packet.

GLOXINIA GRANDIFLORA, Choice Mixed.—One of the handsomest flowers in existence, glasshouse culture; height, 6in.; sow in Autumn. **1/-** per packet.

GODETIA, Mixed.—Hardy annual of easy culture; height, 1ft.; sow in Autumn. 3d. per packet.

GRASSES, Ornamental.—Sow in clumps during the Autumn. All varieties, mixed. 6d. per packet.

GYPSOPHYLLA ELEGANS.—White feathery flowers, useful for bouquets or edgings. 6d. per packet.

HELIANTHUS (Sunflower)—

Annus Purpureus.—(Chestnut Red Hybrids). A remarkable race of wonderful beauty, variety and interest, quick and robust in growth; some plants produce flowers of a rich chestnut red colour, others red flowers tipped with yellow, others red margined with yellow in varying widths. About 12 per cent. of the plants may produce all yellow flowers, but these plants may be picked out by noting the degree of purple in the stem growth; plants with green stems will bear yellow flowers; height, 6ft. 6d. per packet.

Cucumerifolius Purpureus.—A new small flowered hybrid of the miniature type, containing shades of pink to deep purple; but like the large variety, is not quite true to colour; height, 4ft. 6d. per packet.

Cucumerifolius.—Miniature Sunflower; compact variety, with numerous flowers; height, 4ft.; 3d. per packet.

Globosus fistulosus.—Fine double-flowered sort, quilled petals, densely packed; height, 5ft.; sow all in Spring. 6d. per packet.

HELICHRYSUM MONSTROSUM, Mixed.—Everlasting; fine large double flowers. 3d. per packet.

HELIOTROPE, Finest Mixed.—Hardy perennial, deliciously fragrant, for pots and borders. 6d. per packet.

HOLLYHOCK, Mixed.—From the finest English varieties; perennial; height, 6ft. 6d. per pkt.

HUNNEMANNIA FUMARIAEFOLIA. — Bright yellow flowers. 3d. per packet.

IPOMOEA, Leari.—A quick growing climber, dark blue flowers. 6d. per packet.

LARKSPUR, Dwarf Hyacinth-flowered.—Double, various shades. 3d. per packet.

LATHYRUS PUBESCENS (Argentina Perennial Pea).—A magnificent, vigorous growing, climbing, or trailing perennial pea, literally covered with long spikes of the most lovely pale violet flowers. If afforded some support it forms a dense, well branched bush six feet high and nearly as far through, and is a conspicuous mass of colour throughout the Winter and Spring. 6d. per packet.

LAVENDER.—6d. per packet.

Shepherd's Flower Seeds—(Continued).

LEPTOSYNE, Maritima.—Light yellow flowers. 6d. per packet.

LINARIA, Maroccana.—Mixed yellow, purple and other tints. 3d. per packet.

LINUM GRANDIFLORUM, Rubrum.—Scarlet Flax. 3d. per packet.

LOBELIA.—6d. per packet. **Dwarf Blue.**—The best for edging.

LOVE-IN-A-MIST.—See Nigella.

LUPINUS (Pink Pearl).—A very attractive, free flowering plant, with long graceful spikes of fragrant pea-shaped blooms, a bright pink colour. Height, 3ft. 6d. per packet. **Annual Sorts, Mixed,** 3d. per packet.

Polyphyllus, Mixed.—Fine large flowers. 6d per packet.

MANDEVILLEA SUAVEOLENS (Perennial creeper).—Scented, white flowers. 6d. per pkt.

MARGUERITES.—See Chrysanthemum.

MARIGOLD.—Meteor.—Orange and lemon stripe. 3d. per packet.

African, Mixed.—Half hardy, fine blossoms of orange and lemon; height, 2ft.; sow in Spring; 3d. per packet.

French, Mixed (Half hardy).—Brilliantly marked, crimson, maroon and gold; height, 1½ft.; sow in Spring. 3d. per packet.

MATTHIOLA BICORNIS.—Night-scented Stock. 3d. per packet.

MAURANDIA, Mixed.—A pretty little climber, blue, white and rose flowers. 6d per packet.

MIGNONETTE.—All 3d. per packet. Sweet, large-flowered, Crimson Queen, *Matchet Golden, Goliath.

MIMULUS (Monkey Flower), Tigrinus, Mixed.—The markings of this sort are endless. 6d. per packet.

MINA LOBATA.—Half hardy annual climber; flowers vivid red in the bulb, changing to orange yellow, very free flowering; height, 15ft.; sow in Spring. 6d. per packet.

NASTURTIUM.—All 3d. per packet. *Tom Thumb, Mixed.—Indian Cress. *Tall, Mixed. —Ornamental climbers.

NEMESIA STRUMOSA GRANDIFLORA, Mixed.—This fine hardy annual is a favourite with all for massing; most brilliant colours. Extra Selected Strain, 6d. per packet.

NIGELLA DAMASCENA.—Love-in-a-mist or Devil-in-a-bush, curious light blue and white flowers. 6d. per packet.

PANSY.—Shepherd's Superb Mixed.—This splendid mixture cannot fail to give the greatest satisfaction, containing as it does the choicest strains from the most noted Pansy Specialist in the world, and includes almost every shade of colour, exquisitely spotted and blotched, veined, mottled and margined, and fancy varieties. This strain is so beautiful that no description or praise can do it justice, being unsurpassed for rich and varied colours and immense size. 1/- and 2/- per packet. **Large French Stained.**—Splendid large flowers, brilliant colours and varieties endless. 6d. per packet. **Bugnot's Superb, Blotched.**—Very beautiful class, extra large flowers with broad blotches. 1/- per packet. **Cassiers.**—Saved from very large and beautifully blotched model flowers. 1/- pkt. **Victoria.**—Red, 6d. per packet. **Odiers or Blotched.**—A large flowering Pansy, much admired in France. 1/- per packet. **Trimardeau Giant.**—Large blooms, with three large spots, varied in colour; height, 9in. 6d. per packet. **Candidissima.**—White, 6d. per packet. **Lord Beaconsfield.**—Purple, upper petals lighter. 6d. per packet. **Black or Faust,** 6d. per packet. **Yellow Giant,** 6d. per packet. **Gold Margined,** 3d. per packet. **White Giant,** 6d. per packet. **Parisian Giant.**—Very handsome and beautifully marked flowers. 6d. per packet. **Fine Mixed.**—Great variety of colours, very hardy; height, 6in.; sow in Autumn. 3d. per packet. **Madame Perret.**—Pretty wine-coloured shades. 6d. per packet.

PAPAVER (POPPY).—Shirley. A magnificent variety, producing through a long season large single flowers of charmingly delicate colours, ranging from pure white through shades of pink and rose to brightest scarlet and carmine-red. If cut before the blooms are fully expanded, they will keep fresh in water for several days. 3d. per packet. **Paeony Flowered, Mixed.**—Double, 3d. per packet. **Danebrog.—Victoria Cross Poppy;** crimson flowers, with broad white cross. 3d. per packet. **Dainty Lady.**—Charming shade of rosy mauve, with dark blotch; height, 3ft. 6d. per packet. **Umbrosum.**—Very rich vermillion; a most showy single variety. 3d. per packet. **Iceland, Single, Finest Mixed.**—Perennial Poppies, equally adapted for beds or groups. 6d. per packet. **Admiral.**—Pure white, single, with band of brilliant scarlet. 6d. per packet. **Snowdrift.**—A lovely double fringed variety of purest white. 3d. per packet. **Ranunculus Flowered, Mixed.**—A very pretty double variety, assorted colours. 6d. per packet. Sow Autumn or Spring.

PASSIFLORA EDULIS (Passion Fruit).—Purple fruit of delicious flavour, luxuriant dark green foliage; height, 10ft.; sow in Spring. Tender perennial climber. 6d. per packet.

PEAS, EVERLASTING.—See Everlasting Peas.

PENTSTEMON, Grandiflora, Finest Mixed.—Saved from a splendid collection of large flowering sorts. 6d. per packet.

PETUNIAS.—Shepherd's Ruffled Giants.—The largest and richest coloured variety in cultivation. Single flowers frequently measure over five inches in diameter, ruffled or fringed on the edges, and beautifully veined, with various shades of purple, rose, lavender, yellow, crimson, pink, pure white, etc.; very fine; height, 1½ft. 1/- per packet. **Single, fine mixed.**—Large flowered, very showy in borders. 3d. per packet. **Double, fringed.**—Comprises the most superb double kinds, fringed, striped, etc. 2/- per packet. **Double, mixed.**—Large Double-flowered, assorted colours; height, 1ft.; sow in Autumn. Mostly plain-edged sorts. 2/- per packet.

PHLOX.—Drummondi Grandiflora, mixed.—Unequalled in the magnificent display of their many and brilliantly coloured flowers. The plants are hardy bush-like annuals with many broad flat-topped clusters of nearly round and star-shaped flowers. They are of easiest culture, and bloom profusely through a long season. Especially attractive in masses or

SWEET PEAS.

SHEPHERD'S WINTER FLOWERING SPENCERS.

For separate kinds, ask for Special List.

GIANT SPENCER, SUMMER FLOWERING.

Mixed, 6d and 1/- per packet.

For Named Kinds, get Special List.

Shepherd's Flower Seeds—(Continued).

ribbon beds of contrasted colours; useful as window-garden plants and very desirable for combining in mixed bouquets. 3d. and 6d. per packet.

Perennial.—Various colours quite distinct from the annual sort, producing spikes of bloom; does not usually flower the first season; height, 2ft.; sow in Spring. 6d. per packet.

PHASEOLUS CARACALLA (Snail Flower).—Perennial Climber, with curious purple flowers; height, 20ft.; sow in Spring; likes a fairly warm climate. 6d. per packet.

PHYSOSTEGIA, Virginia Gigantea.—Pretty Erica or heath-like spike of flowers; white and rose, mixed. 6d. per packet.

POLYANTHUS, Choicest mixed.—Universal favourites for Spring flower garden. 6d. per pkt.

POPPY.—See Papaver.

PORTULACA.—Single, finest mixed.—Dwarf, fleshy-leaved, half-hardy annuals, brilliant colours, splendid for massing or borders; height, 6in. 3d. per packet. **Double.**—Suitable for rock-work or dry situations; height, 6in.; sow in Spring. 6d. per packet.

PRIMULA MALACOIDES.—A beautiful type, very suitable for the bush-house or for bedding out. It grows about eight to twelve inches high, throwing long stems and bearing bunches of primrose-like flowers of a beautiful rosy lavender tint. 6d. per packet.

PRIMULA, Sinensis Fimbriata, ch. mixed.—All colours, very suitable for pots. 1/- per pkt.

PYRETHRUM.—Aureum (Golden Feather), golden leaved; used for edging or borders. 3d. per packet.

Roseum mixed.—Persian insect powder plant; height, 1ft.; bearing large daisy-like blooms; suited to a cool climate; sow in Autumn or Spring. 6d. per packet.

***RANUNCULUS, Asiaticus, Mixed, Specially Selected Seed.**—Coming into flower in early Spring, their brilliant colours and exquisite form at once strike the eye. 6d. per packet.

RHODANTHE.—Mixed.—Everlasting Flowers, annuals; height, 1ft.; sow in Autumn or Spring. 3d. per packet.

SALPIGLOSSIS.—Fine Mixed, Hybrids, easily grown, large long stemmed flowers, in many beautiful shades and markings. 3d. per pkt. **Emperor, Large flowering, Mixed.**—A mixture of improved dwarf, very large flowering sorts, more compact than ordinary varieties and with much larger, more richly coloured flowers. 6d. per packet.

SALVIA—

Patens.—One of the finest blue flowers known; not as well suited for bedding as the other varieties of salvia, but very attractive in the mixed border or in the green-house; height of plant, about one and one-half to two feet. 1/- per packet.

Splendens.—Sold also as "Splendens Bonfire." The large, brilliant scarlet flowers are in very striking contrast with the rich dark green background of dense foliage; 3ft. high. Sow in Spring, Summer or Autumn. 6d. per pkt.

SCABIOSA.—Dwarf Double, mixed.—Pincushion Flower, sweet scented. 3d. per packet. **Azure-Fairy.**—Flowers of a lovely sky-blue colour. Most attractive in the garden. There are but few flowers so useful for cutting. 6d. per packet.

SCARLET FLAX.—See Linum.

SHASTA DAISY.—See Chrysanthemum.

SNAPDRAGON.—See Antirrhinum.

SOLANUM SEAFORTHIANUM.—Very pretty perennial climber, covered with clusters of large lavender blue flowers, followed by bunches of scarlet berries; height, 10ft.; sow in Spring. 6d. per packet.

STOCKS.—Early large-flowering Nice Varieties. All 6d. per packet. A magnificent strain of Early-flowering Winter Stocks. They grow about 2 feet high, and are of branching habit, having numerous spikes of very large, double, delightfully fragrant flowers. **Almond Blossom.**—Delicate shade. **Beauty of Nice.**—A beautiful flesh pink, with very large spikes. **Blanca.**—White; very hardy. **Crimson King.**—Large spikes of bloom; **Dark blue** fine spikes. **Queen Alexandra.**—Same type as Beauty of Nice; rosy lilac. **Pride of Kellar.**—Purple. **Old Rose.**—A light purplish rose; a most popular shade. **Vinosa.**—Rich wine colour. **Soliel de Nice.**—A creamy yellow, very free flowering. **Nice Type, Mixed.**—A grand strain of these popular sorts; height, 2ft.; will make a glorious display of colour. 1/- per packet.

Any Six Sorts selected "Nice" Stocks for 2/6.

Giant Perfection, Mixed.—Ten-week; a splendid variety of the tall branching perpetual Stock, producing an abundance of fragrant bloom, in many lovely shades. 6d. per packet. **Brompton, mixed.**—Various colours. 3d. per packet. **Ten-week, mixed.**—Large flowering dwarf annual, a very large proportion double; height, 1ft. 3d. per packet.

SWEET ALYSSUM.—See Alyssum.

SWEET WILLIAM, Double Mixed.—3d. per pkt.

SWEET SULTAN.—See Centaurea.

VERBENA.—Mammoth Mixed.—This desirable mixture includes a wide range of colours, shades and stripes usually running from pure white to deep purple. 6d. per packet. **Fine Mixed.**—Embraces a wide range of the most beautiful colours. 3d. per packet.

VIOLO ODORATA.—The Czar.—Sweet Violet; this flower is too well known to need comment; height, 6in.; sow in Autumn. 6d. per packet. **Alba**—A pretty white form of Violet; distinct. 6d. per packet.

VIRGINIAN STOCKS, mixed.—Excellent annual for small beds and edgings. 6d. per packet.

WALLFLOWER.—Double, finest mixed.—Grand double flowers. 3d. per packet. **Single mixed.**—Deliciously fragrant; a fine mixture of colours. 3d. per packet. The above are only suitable for cold climates. **Earliest Paris.**—Mixed; a splendid strain; flowers quickly; suitable for warm climate. 6d. per packet.

ZINNIAS.—One of our most stately and showy border plants; a strong grower, and therefore succeeds well, even if the ground is not very rich. Excellent for cut flowers, and continuously in bloom; height, 1 to 3 feet; hardy annuals.

Giant.—These splendid large-flowering Zinnias represent the very highest perfection in this flower, and for perfect doubleness, mammoth size, as well as the wonderful variety of colours and shades, are unsurpassed by any strain in cultivation. We offer the following splendid colours—

Giant Crimson.
Giant Dark Purple.
Giant Flesh Pink.
Giant Violet.
Giant Pure White.
Giant Sulphur Yellow.
Giant Golden Yellow.
Giant Scarlet.

Above 8 sorts, each 6d. per packet, or set for 3/3, post paid.

Mixed Colours.—A fine collection, containing many new and rich hues; a gorgeous mixture; height, 3ft.; sow in Spring. 6d. per packet.

Tom Thumb, mixed.—Dwarf and pretty, and fairly bristles with tiny, very double flowers; height, 2ft.; sow in Spring. 6d. per packet.

*Denotes Varieties which we can Specially Recommend.

SHEPHERD'S GARDEN REQUISITES.

PRICES SUBJECT TO MARKET ALTERATIONS.

For the benefit of our Country Clients, we have added Post Paid rates, as far as possible, to each of the following articles.

ASTHMA HERB.

The best known Remedy for Asthma, Bronchitis, Colds, Coughs, and Chest Complaints generally.

Many of our Correspondents have testified to the value of the Herb as a Tonic and gentle Aperient.

Persons of the weakest and most delicate constitutions may use the Herb Tea with perfect safety.

Printed directions for preparing the Herb for use accompany each packet, and the process is so simple that a child of ten years of age might safely be entrusted with it.

We may also point out that the Herb prepared as recommended by the late Mr. T. Shepherd is superior in every way to the mixture sold by the chemists as Asthma Herb, because it can always be used fresh and unadulterated, and at about one-tenth the cost. 2/9 Packets, Post Free. Prepared only and sold by P. L. C. SHEPHERD & SON, LTD.

Anyone not pleased can have money back.

Buckaroo Lime Works, near Mudgee.

Dear Sir,—Would you kindly send me two more packets of your Asthma Herb—the same as I got 12 months ago. I want it for making tea to drink. The last cured my boy of Asthma, and I want to give a trial to some friends that are suffering from Asthma.

ROBERT PATTS.

INSECTICIDES and FUNGICIDES.

IMPORTANT:

When once HAROLA is mixed with water it should be used the same day.

INSECTICIDE APPLIANCES.

BUCKET SPRAY PUMPS.

For private gardens or very small orchards this is a very good pump. It has a foot adjustment, so that it can be used with an ordinary bucket, which should be of wood if solutions of copper are used.

It is all brass, and is well made. It is fitted with three feet of half-inch delivery hose and a patent nozzle, which will deliver the water either in a solid stream or a coarse or fine spray.

Extra lengths of hose can be supplied at market rates.

Success, 30/- each.
Myers, 32/6 each.
3ft. Extension Rose, 3/6 each.

(Add 6d. Postage.) 2/3.
